

## THANK YOU DORCHESTER

### Rotary overwhelmed by generosity for typhoon appeal

THANKYOU Dorchester – that was the message this week as the town dug deep for both the Philippines disaster and for BBC Children in Need.

More than £10,000 has been collected by volunteers from the town's two Rotary Clubs, much of it from shaking cans in South Street.

Lions Club members have personally donated £1,500 to the Typhoon Haiyan appeal while Dorchester Royal Naval Association made a £250 donation

to the appeal via the Lions.

President Mr George Osborne said: "The Lions have direct contacts 'on the ground' which ensures that funds get to the right place, as quickly as possible and with no administration costs. The Dorchester RNA fully endorse this arrangement."

Other groups and organisations are still arranging fundraising ventures while personal donations, not made through charity groups, but direct to the appeal, is likely to have at least doubled the collections on the street.

The Chamber of Commerce has made an initial donation of £200 and has pledged more from a President's breakfast next month at Kingston Maurward on December 10th when the Dorchester Choral Society will be singing a selection of popular Christmas carols.

Said Rotary clubs spokesman, Peter Noble: "The people of Dorchester once again exceed even their own generosity."

He said many people were handing in £20 and £10 notes and one person gave £100.

By comparison the £10,000 is at least double the an-

**SANDY West, 64, is the community life champion at Asda supermarket in Weymouth.**

She was born and went to school in Plymouth before moving to Liverpool when her father came out of the Royal Navy. She worked as a proof reader for the Liverpool Jewish Gazette which she said "being from a Welsh Catholic-Liverpool Irish Prody family was a bit of an odd job!"

Sandy married in the same Liverpool registry office that world famous Beatle, John Lennon, got married in and moved to Portland on her wedding day, July 29th, 1967.

She has now lived on the island for 46 years and is a borough councillor and former town mayor of Portland. She has worked at Asda, Weymouth, for 14 years.

### ■ WHY do you live on Portland?

Because Portland is the most beautiful place with a great community and community spirit. I also feel proud that it is the base for the Weymouth and Portland National Sailing Academy because I am very keen on sailing.

### ■ WHERE do you go for your holidays?

I holiday in this country, Birmingham, Liverpool, Plymouth or I just take day trips from Portland because there is so much to see round here. I love walking and the sculpture park.

### ■ WHAT is your favourite time of the year?

Autumn because it is a mellow time. Colours are constantly changing and it is a lovely time before winter sets in.

### ■ WHAT is your favourite film?

Gone With The Wind. I have seen it 124 times and love it. If not that then All Quiet on the Western Front, the original black and white one, not the remakes.

### ■ WHAT is the scariest thing that has ever happened to you?

When I was younger my oldest brother locked me in a cupboard at night and told my mum and dad that I had gone to bed. I was terrified because then I was frightened of the dark.

### ■ IF you could live your life again what would you be?

I would be an army nurse. That was one of my ambitions, but I got married instead.

### ■ WHICH three people would you invite to your dream dinner party?

Nelson Mandela because I was inspired by his fight for freedom, the Dalai Lama because I like the warm

feeling and peacefulness of Buddhism and Dawn French because she is a Plymouth girl and very funny.

### ■ WHAT would you do if you won the Lottery?

I would give some to charity, some to my family and then I would go mental and just buy a shoe shop and spend all day trying them on because I love shoes. Then I'd give them to charity when I got fed up with them.

### ■ WHAT do you hope the future holds?

I would like to see world peace and I would also hope that I am able to carry on having as much fun as I do now.

## Museum launch fundraising appeal for building project

A FUNDRAISING appeal has been launched at the Dorset County Museum – to improve access to its three million artefacts.

A new building is being planned which will include a working area for volunteers and researchers and additional education and lecture rooms.

Local people are being invited to donate £100 to the appeal which will give them free entry to the museum for a year and have the opportunity to buy a personalised plaque for the wall running up the staircase.

The first plaque was bought by museum advocate Paul Atterbury from the BBC's Antiques Roadshow. Paul has recently become a trustee at the museum and wanted to show his support for the project.

His plaque has been named in memory of his great uncle Lewis who died during the Battle of

the Somme.

Museum director Jon Murden said: "We are hoping for a good response to this new appeal – the money raised will be used to kick-start the project and we will then be seeking financial support from major trusts and fundraising bodies like the Heritage Lottery Fund."

Further fundraising events are planned for next year. Jon added: "We want to get local people involved because the project will include new galleries and archives which will be accessible to the public. Ultimately everyone will benefit because we will be able to display many more objects from our unique collections."

Mr Atterbury said the museum is one of the county's almost hidden treasures: "I think it is

un-appreciated, particularly locally. Here is one of the great national collections; it's something that Dorset has.

"I'm one of the trustees of the museum and I think it's our job to really make it accessible to a much, much wider market. People don't appreciate what we have got on our doorstep; this could be one of the great visitor centres of the South West. "We have the land and our possibilities to make it bigger are real. We haven't got to go and find a bigger building, we haven't got to do anything, other than build on what we have got."

Anyone wishing to support the campaign by buying a plaque should contact the museum on 01305 262735 or see the website on [www.dorset-countymuseum.org](http://www.dorset-countymuseum.org).

## Police report spate of break-ins around town

A MAN has been arrested in the Sherborne area after a house was entered in Poundbury Crescent, Dorchester and a car stolen from outside.

Police say the car keys were taken after the house front door was left unsecured.

The owner's Peugeot 107 car was later recovered in the Thornford area having been damaged.

A second burglary occurred in Pummery Square, Poundbury at about 9.25pm on Friday, November 8th. The offender forced entry to a flat through the front door but was confronted by the householder who was at home. The man ran away but was later arrested and has now been charged with this offence.

On Monday, November 11th an unused office building in Poundbury Road was broken into between 5pm and 8am on Tuesday 12th. The offenders forced a window to gain entry and then stole tools.

Tools were stolen from a garage in St Johns Way, Poundbury between 6pm on Sunday, November 10th and 7.30am on Monday, November 11th. The offender forced the door to gain entry.

Damage was caused to a vehicle in Wadebridge Square, Poundbury between 9.30pm on Friday, November 8th and 11am on Saturday, November 9th. The offender smashed a window and then tried to force a door in a failed attempt to gain entry.

Dorchester Police Safer Neighbourhood Team would like you to contact them on 101 if you have any information that can help identify those responsible for these crimes, or can help recover any of the stolen property.

If you have a story call  
Trevor on 01305 268457

## Award for Sunninghill Prep School

DORCHESTER'S Sunninghill Prep School has won an Independent Schools Awards for its work with state schools and the Dorset Area Schools Partnership (DASP).

Andrew Roberts-Wray, headmaster said: "We're extremely proud to win this award and I share it with all the school heads in DASP, who work so hard to make this an effective partnership. We're grateful to Dr Liz Sidwell, former schools commissioner, for giving us some invaluable advice. We have set ourselves some major challenges with DASP and it's great to be recognised for that."

"This award shows that the independent sector does take seriously the importance of working with state schools. DASP shows how it can be done and although there's a long way to go, we've always believed that the DASP model could work nationally. All headteachers – independent or state sector – want the best for their pupils in their care and in partnership we can reach that goal."

Sunninghill Prep is a co-ed day school for children aged three months to 13 years. Since joining DASP, Sunninghill Prep has opened its doors to include local state schools in science, sports and history days.

## Prison prepares for closure

THE Ministry of Justice has reacted to a report that equipment and furniture worth thousands of pounds has been destroyed as staff prepare for the closure of Dorchester Prison.

A spokesman says some of the equipment was made specifically for Dorchester and could not be used elsewhere – while computer and other equipment with confidential information had to be safely disposed of.

A spokesman for the Ministry of Justice said that where possible and where there was a need items which could be used in other establishments would be passed on.

"The Disposal Services Agency will sell the assets at the best commercial cost and principally through their contractors. It is not considered appropriate to dispose of assets through staff sales or local sales arrangements."

"This ensures the agency acts with propriety in disposing of assets funded by the taxpayer, and protects against the risk of passing on potentially faulty goods to the public."

A handful of prisoners remain at the jail although all will be gone by next month when the building finally closes. Almost 160 staff have been offered redeployment or voluntary redundancy.

## Fatal road accident

THE main road between Dorchester and Weymouth was closed for several hours on Monday afternoon after an accident in which a 50-year-old motorcyclist died.

The accident happened near the Swallow's Rest house shortly after 1.30pm.

The motorcyclist, a 50-year-old man from Weymouth, died after a collision with a car driven by a 52-year-old Dorchester man. He was treated for minor injuries at the County Hospital.

Police are asking for witnesses to the accident or anyone who may have seen the green Kawasaki motorcycle or red Suzuki car prior to the crash to contact PC Kevin Farenden by calling the 101 police non-emergency number.

## Petition to save buses

ALMOST a thousand signatures have been collected on a petition to save bus services in and around Dorchester.

Several weekend services and some routes are being threatened by county council proposals to cut subsidies.

The protests have already led to Dorchester town services 1, 2 and 6 continuing on Saturdays but the current proposals, which will be discussed at the county council in early December, mean there will still be some reduction in the services during the week and no buses after 5pm on some routes.

The new timetable, if approved, will start on January 1st.

Campaigners are hoping to protect the 1-3 services to Owermoigne and West Stafford and are asking those who use this route to write to the county council and ask for it to be saved.

# Database will open up opportunities for autism sufferers

A VOLUNTARY database is being set up across Dorset – in an attempt to improve services aimed at those with autism.

Autism Wessex, the lead organisation in the survey, will then provide statistical and evidential data to health, social care and voluntary organisations.

The project has been funded by a two-year grant from the NHS. It will capture information such as demographics, use of social care services, benefits and types of housing to provide statistical data to statutory organisations.

Karen Wilmshurst, Advocacy Services Manager at Autism Wessex, said: "We will only ever share statistical data from the database – no personal information will be disclosed. Quarterly reports will be produced and published on the Autism Wessex website. These reports will also be given to statutory organisations, providing them with detailed and relevant information – for example how many people with autism are unemployed in that region. This we hope will provide them with the statistical evidence – that before was missing – they need in order to help them target their services more effectively."

Nigel Harris, an adult with autism and board member of the Pan-Dorset Autistic Spectrum Condition Partnership Board, is one of the first people to register.

Nigel said: "If the autistic community remains as invisible to the authorities and services as we were in the past, then how can we hope to be noticed? How can things change?"

"The autistic community being noticed is crucial if today's limited funds and resources are to be channelled into supporting us, and into supporting us in the right way."

"Evidence is needed now to show that we exist in significant numbers in the area to prove the need for local funds. We have been asked for this. It is now time for us to join together

and provide this evidence so that, not only we ourselves, but others and their families might have their lives improved and better supported. We have a wonderful opportunity."

Bob Lowndes, Chief Executive of Autism Wessex, said: "We are very proud that Autism Wessex has been chosen to lead the project be-

cause of its recognised impartiality and trusted status within the local community.

"The Autism Act 2009 states that every local authority needs to have a strategy for adults with autism. As the regional charity for anyone affected by autism, we sit on the Pan-Dorset Autistic Spectrum Condition

Partnership Board, which is responsible for the strategy in Dorset and we're looking forward to helping influence the strategy further by providing this database."

To sign up to the database, you can visit [www.autismwessex.org.uk/database](http://www.autismwessex.org.uk/database) and download a form or call 01305 213135.

## Police conference to tackle business crime

DORSET'S Police and Crime Commissioner, Mr Martyn Underhill, is inviting members of the business community across Dorset to attend his first conference aimed at tackling crimes against business.

It will take place on Friday, November 29th at Winfrith.

The free conference, which is being organised in partnership with the Federation of Small Businesses and Dorset Local Enterprise Partnership covers topics such as Fraud, Cyber

Crime, and Rural Crime Initiatives.

Mr Underhill said: "I am delighted to be co-hosting this important conference - the new victims code now recognises businesses as victims of crime, and it is imperative that we assist Dorset Businesses to be better aware of how to protect themselves against potential crimes."

"We are pleased to have DCI Oliver Little from Action Fraud addressing the conference, and will also be updating delegates on

the results of our recent Crimes Against Business survey.

The day will offer a great opportunity for businesses across Dorset to network and share their own issues and solutions to crime. "The conference is taking place at Dorset Green Technology Park, Winfrith Newburgh, between 11am – 3.30pm.

For more information, or to book a place, please email [susan.bickle@dorset.pnn.police.uk](mailto:susan.bickle@dorset.pnn.police.uk) or call 01202 223743.

annual average amount collected from the town carnival. And while the Philippines appeal continued the town was also giving to the annual Children in Need appeal.

Hospital radio at the county hospital ran a special show as did BBC Radio Solent for Dorset on 103.8fm.

Jim Davis and friends at Ridgeway Hospital Radio studio entertained listeners and studio guests to raise money for for Children in Need. The station's mascot Oliver Bear took his turn at pressing the buttons, while Sammy Snake and Jerry Giraffe took charge of a rather heavy collecting tin.

Pupils from Sunninghill School collected more than £300 by turning up in their pyjamas and "onesies", paying £2 each for the privilege.

"Everyone has been really generous...there was a really good atmosphere at the school," said Emma Follis.

At Puddletown Middle School pupils took part in a week of activities which included a talent show and selling cakes and hot dogs while at Cheselbourne School youngsters brought in 1p and 2p coins to cover two giant Pudsey Bears in the playground.n

■ HOW TO GIVE: The Rotary clubs in Dorchester have been collecting specifically for Shelterbox and Water Survival Box – both Rotary ventures. For anyone unable to get to the street to donate cheques can be made out to "The Rotary Club of Dorchester" and sent to Accountant: Andrew Jones, Prospect House, Peverell Avenue East, Poundbury, Dorchester, DT1 3WE.

## Protest to release Greenpeace 30

■ **PROTESTORS** outside the Shell Garage in Dorchester on Saturday – calling for the release of protestors arrested by the Russian after a Greenpeace protest about drilling in the Arctic

MORE than 30 protestors gathered outside of Dorchester's Shell Garage in London Road on Saturday – to protest at the arrest and detention of protestors and journalists in Russia.

Shell were targeted by Greenpeace protestors because of their Arctic partnership with Gazprom, the Russian owned company who are controversially drilling in the Arctic.

"We had a very good turn-out. People are concerned about the fate of the Arctic 30; two journalists and 28 Greenpeace activists being held in St Petersburg, charged with piracy and hooliganism. We are asking members

of the public to show their support for the 30, six of whom are UK nationals, by sending a message to the Russian Embassy in London asking for their release," said group spokesperson Irene Statham.

The activists from the Arctic Sunrise were seized when they approached Gazprom's "Prirazlomnaya" drilling rig two months ago. Gazprom called in the Russian coastguard who seized the Arctic Sunrise and arrested the group at gunpoint. They have now been in prison for two months with no prospect of a trial despite calls for their release by political leaders and celebrities.

## Retired sergeant shares crown court stories

A RETIRED Dorset policeman has been recording his memories of the old Crown Court in Dorchester.

The stories of retired Sergeant Ray Sansom, 89, who remembers giving evidence at the Old Crown Court, will now be used in a display about the building.

Mr Sansom, who began work in 1947, and now lives in Poole, talked to Joe Stevens, who is leading the Shire Hall Oral History Project.

Mr Sansom visited the Old Crown Court in High West Street, Dorchester, to make the recording. Joe Stevens says he would now like to find others who have any memories of the court when it was in use.

He said: "It is fascinating to hear stories from the past. I am keen to hear from anyone who can remember what the court was like so I can capture and record their memories for posterity."

It is hoped that the recordings will be used as part of the exhibition if the Shire Hall becomes a multi-million pound visitor centre.

■ **RETIRED** policeman Ray Sansom who has been recording his memories of the former crown court in Dorchester

**By Trevor Bevins**

West Dorset District Council is preparing a bid for £1.1million Heritage Lottery Funding to create the centre, which would have high quality exhibitions and educational resources.

If the district council secures

funding it will also contribute more than a million pounds towards the scheme.

The court is famous for

the trial of the Tolpuddle Martyrs in 1834. Author Thomas Hardy also sat there as a magistrate. The district council is discussing plans with interested groups including the Trades Union Congress, Dorchester Museum and the Thomas

Hardy Society.

If the project goes ahead Dorchester's Tourist Information Centre will move to Shire Hall from its current location in Trinity Street.

The district council has owned Shire Hall in High West Street since 1974.

Mr Sansom said: "I'm pleased to think that my memories will be part of the history of the Old Crown Court. It's a very good idea to turn it into a visitor centre."

He added: "I remember a case just before Christmas 1947 when an old tramp, they used to sleep in hay barns then, came along into Dorchester. We had to take him in because he'd kicked the glass out of a phone box."

"When he got into the dock he asked the magistrates 'please your worships I could do with seven days as that will see me alright for hot meals over Christmas'."

If you have memories of the Shire Hall or Old Crown Court, please contact the Shire Hall Oral History Project on 01305 252226 or email [joe@digital-works.co.uk](mailto:joe@digital-works.co.uk).

## Villagers to have say on neighbourhood plan

PUDDLETOWN residents could soon have more influence over planning decisions in their community with the creation of a neighbourhood plan.

Puddletown Area Parish Council is leading the project for the village and for neighbouring Athelhampton, Burleston, and Tolpuddle.

A neighbourhood plan aims to give residents more control over their local area, when plans for new homes, shops and offices in their town or village are considered.

Local communities are responsible for initiating, developing and submitting the plan.

### By Trevor Bevins

The district council can offer support and advice and will organise an independent examination once submitted. It will also be subject to a local referendum to check it has the support of local people.

Residents from the area covered by Puddletown Area Parish Council are now being asked to put forward their views on whether they believe the areas covered are suitable or not.

The consultation will be open until January 17th for comments. Details of the area applications and how to respond can be found at: [www.dorsetforyou.com/406403](http://www.dorsetforyou.com/406403) or at the district council offices in Dorchester.

Councillor Robert Gould, Leader of West Dorset District Council, said: "Neighbourhood plans are about giving local people a proper say about the area they live in.

"We would like to hear anyone's views about the suitability of these areas."

Comments can also be sent to the Spatial Policy team at West Dorset District Council, South Walks House, South Walks Road, Dorchester, Dorset, DT1 1UZ.

## Changes in law to benefit charities thanks to eagle-eyed accountant

THOUSANDS of charities and community groups could be in line for compensation payments of up to £50,000, thanks to an eagle-eyed Dorchester accountant whose lobbying prompted a change in the law.

Malcolm Lofts, of Dorchester-based Lofts & Co, first raised concerns over inconsistencies around deposit protection rules in 2010.

He contacted the now defunct Financial Services Authority and then took his findings to West Dorset MP and Cabinet Office minister Oliver Letwin.

Mr Letwin passed Malcolm's concerns to the Treasury, eventually leading the new Financial Conduct Authority (FCA) to rewrite the rules.

The change means that large "unincorporated associations" such as charities, clubs or societies that lost money in the Icelandic banking collapse of 2008 may now be entitled to compensation payouts from the FCA. Such groups were previously considered ineligible for help.

As a result of the changes many organisations will have cover in future where none existed in the past. The changes apply to an estimated 5,000 associations and 24,000 partnerships.

Greg Clark, financial secretary to the Treasury, has thanked Malcolm for making the government aware of his concerns.

Malcolm said: "It's fantastic to know that these changes could financially benefit many charity or community groups.

"I have worked with a number of charities and unincorporated organisations over the years, and was simply looking

**MALCOLM Lofts, Dorchester accountant, whose attention to detail may have saved charities thousands of pounds**

to redress an inconsistency in the rules regarding the Financial Services Compensation Scheme (FSCS).

"I had no idea that my letters and emails would eventually lead to such a major policy change by the government.

"I'm just pleased that the issue has finally been addressed. Hopefully lots of charities will be able to claim compensation as a result."

## Teddy bears star in BBC's Antiques Road Trip

DORCHESTER'S Teddy Bear Museum has featured in a BBC Antiques Road Trip programme.

The TV show saw two antiques experts, Anita Manning and James Lewis, starting in Dorchester and ending at their final auction in London.

Featuring in the programme was museum director Jackie Ridley, who helped tell the 110-year history of the teddy bear, which started in 1902 with the famous story of president Theodore

(Teddy) Roosevelt refusing to shoot a tethered bear on a hunt.

The Dorchester museum's oldest bear dates from 1906 and was made from the same pattern as the very first teddy bears.

Presenter Anita Manning talked about the Edwardian style home 'inhabited' by human sized bears that were specially created for the Teddy Bear Museum and talked about the enduring appeal and popularity of the teddy bears.

## Volunteer advocates needed

A DORCHESTER-based advocacy service which works with cancer patients and their families is searching for additional volunteers.

The Dorset Cancer Advocacy project, which was set up by Dorset Advocacy, is a joint project with Help and Care.

It offers free support to people over 50 and is funded by the National Lottery and Macmillan.

"One of our main targets is to recruit volunteer advocates. These should be people who have had some experience of the cancer journey. They too should ideally be over 50 years old but this is not an absolute requirement. We have found that peer support is more successful when there is a close age match. Any one wishes to be considered as a volunteer advocate should contact me directly.

"I will be very happy to talk to anyone about the project," said co-ordinator Graham Pritchard.

He can be contacted through Dorset Advocacy at Jubilee Court, Poundbury, by phoning 01305 251033 or emailing [graham@dorsetadvocacy.co.uk](mailto:graham@dorsetadvocacy.co.uk)

## Comedy from drama club

THE festive comedy, *Life and Beth*, is being performed by Dorchester Drama from this Thursday, 21st until Saturday, November 23rd.

The production, by Alan Ayckbourn, is being performed at 7.30pm each day at the Sunninghill Community Hall.

Tickets cost £8 in advance, £5 for students and those on benefit, available from Trinity Stores in Trinity Street, calling 01305 889202 or £9 on the door.

## New building for school

A NEW building with the latest computers has replaced a 150-year-old cramped school site in the centre of Puddletown.

The new First School, on the western edge of the village, was officially opened last week by the Bishop of Salisbury.

Head Daniel Hunwick said pupils now have enough space for all of them to carry out activities together. He praised staff and others who had helped make the transition from one building to the other as smooth as possible.

# Moo man screening raises £400

ALMOST £400 has been raised to help an animal charity from the showing of the film *Moo Man* at West Stafford Village Hall.

A total of £396.59 was collected on the night in aid of the farm animal welfare charity Compassion in World Farming, which was itself founded by a dairy farmer - to improve the lives of farm animals.

The film tells the story of a maverick Somerset farmer and his herd of 55 cows - and their struggle for survival.

Volunteer Katy Murrell from Dorchester said: "What a fabulous film the *Moo Man* was. I was so moved by the close relationship the guy had with his cows and it was really interesting to see the way a farm works."

Anya Pearson from West Stafford who organised and hosted the film night said: "It was such a fantastic night, we were all thrilled as the hall became packed to standing room only. What really moved me the most was not only did our supporters come out in force but we also had so many new faces sat in the crowd too."

During the interval filmgoers enjoyed drinks, vegan friendly cakes and even "badger friendly" cakes using milk from farms that are opting for badger vaccination to help tackle bovine TB instead of culling on their land - in protest to the highly controversial badger cull.

There were also fine art prints by local artists on sale of farm animals. £70 was also raised on the charity raffle which included prizes donated by Dorset based ethical companies The Gilded Teapot, Lush Cosmetics and Respect Organics.

The film concludes with a poignant statement about the shocking number of dairy farms that are closing every day in

the UK.

Anya said: "For me this film was poignant on a lot of levels but mainly that it emphasised the fact that we forget that not everyone is aware of how things work on farms. We see milk in bottles at the shop and we have a lot of incorrect assumptions on how it gets there.

"Why I wanted to host this film was for two big reasons; to highlight the plight of British farmers and the squeeze of the supermarket for lower and lower prices, but more importantly what effect that has on farming and the way we keep our cows.

"Animal welfare is very important to me and this beautifully made documentary was very moving story on how hard it is to stay in business in a culture of greed and the need for cheap food. It really is a must watch film for everyone to see."

Compassionate Dorset asked filmgoers to think about the impact their food shopping has on our farmers and farm animals, and to always check for free-range and preferably organic meat and dairy.

The audience was also asked to consider reducing their meat consumption - enjoying high welfare meat and dairy, but less often.

You can find out more online at [www.compassionatedorset.co.uk](http://www.compassionatedorset.co.uk).

## Bringing the library service to your door

A TEAM of volunteers in the Crossways area is helping local people make use of the library - without having to visit.

Crossways Library has a team of dedicated Royal Voluntary Service volunteers who are able to visit on a regular basis, delivering books from the library to readers homes, free of charge.

This service is funded by Dorset Library Service. It is available to anyone who cannot easily get to the library, and can be provided on a temporary basis as well as long term.

As well as the Home Library Service the Royal Voluntary Service can also provide befriending and help with trans-

port or shopping.

It is also looking for additional volunteers who can help with the service.

If you are interested in receiving the Home Library Service contact Maria Jacobson on 07786 635154 or 01305 236666, or e-mail [Maria.Jacobson@royalvoluntaryservice.org.uk](mailto:Maria.Jacobson@royalvoluntaryservice.org.uk).

## Police host rural crime prevention day

SCATS Countrystores in Dorchester is hosting a Rural Crime Prevention Day on Saturday November 30th, offering practical advice and services to help protect rural properties.

The event is being run by Dorset Police as part of "Operation Countryside" to help put a halt to escalating crime rates in rural locations.

The rural crime team will be on hand from 10am-3pm to offer advice and guidance on

ways in which individuals can secure their properties – be it garden sheds, garages or stables.

Horse owners are also being encouraged to bring along tack so they can take advantage of a free tack marking service available on the day.

"A large proportion of our customers are rural dwellers with vulnerable premises, so

this is our way of helping bring police and customers together," said Sue Langford from SCATS Dorchester.

SCATS will also be offering a number of discounts on the day including 10 per cent off horse rugs and bedding and £1 a bag off horse feeds, fibres and haylage.

For more information, contact the Dorchester SCATS store on (01305) 262141.

## Blitz bash for Leukaemia charity

THE spirit of the Blitz comes to Dorchester this weekend in a fundraising event organised by the South Dorset Friends of Anthony Nolan charity group.

It takes place at the TA Centre on Saturday, November 23rd with music from the Sodapops.

The event has been put together by Laura Miller who set up the local group after her nine-year-old daughter, Issy, was diagnosed with Acute Myeloid Leukaemia in September 2012 and desperately needed a bone marrow transplant.

Now aged 10, Issy recently received an Anthony Nolan's Little Hero award at a ceremony in London while the local group received a Special Commendation at the Anthony Nolan Supporter Awards.

"Anthony Nolan found her a donor and she is now doing well," said Laura whose group have raised around £10,000 for the organisation since they started.

"We have a themed menu, live music from The Sodapops, and have had support from Liberty of London, the

Royal Opera House and many more," said Laura.

"The 1940s themed Blitz Bash has a full three course dinner with cocktails, and a prize draw including short breaks and tickets to The Royal Opera's rehearsals.

"It promises to be a brilliant night," said Laura.

Tickets are £25 a head to include dinner, cocktail and photos. They are

available by calling 07814 569563 or emailing - southdorsetfriends@gmail.com

Laura is also trying to persuade more local people to sign up to the donor register.

She says that donating bone marrow is a simple procedure similar to giving blood and asks people to visit [www.anthonynolan.org](http://www.anthonynolan.org) for details.

# Standing room only for Kate Adie talk

by Trevor Bevins  
[trevorbevins@googlemail.com](mailto:trevorbevins@googlemail.com)

KATE Adie, who gave a talk about her new book about the role of women in the First World War, filled the County Museum

DORSET County Museum had to borrow extra chairs to accommodate all those who wanted to hear former BBC chief news correspondent Kate Adie talk about her new book.

Ms Adie, who now has a home near Dorchester, talked for over an hour about the role of women in the First World War. She discussed how the Suffragettes had not succeeded in getting women the vote before the war, but that after all that they achieved during the war, the argument against them collapsed and the vote was ultimately granted.

She also talked about the extra work that women took on – including those locally in the Bridport-based netting industry.

There was admiration too for Mabel Stobart, a formidable woman from Studland, who set up a field hospital in Serbia during the war and who is the subject of Dorset County Museum's summer exhibition in 2014.

Dozens of copies of her new book, *Fighting on the Home Front – The Legacy of Women in World War 1*, were signed at sold at the end of the session.

Some of her research was carried out at the Dorchester-based Dorset History Centre.

Said Kate: "There are a lot of myths about the War: One is that men went off and spent four years in the trenches, but on average they only did roughly ten days at a time at the front...there were endless rest and recreation areas set up when they weren't fighting, largely run by women, and there were literally thousands working in them, all volunteers."

She said that for many it was the first time they had been out of the country, for many the first time that they had been outside of their immediate home area, and it changed their outlook and lives forever.

Many worked in France but others made their way to Macedonia and Serbia, the Black Sea and Romania.

She added: "These experiences changed the whole country forever. Everyone was involved, everyone was affected. Bridport, for example, played a huge part. The orders for nets and other rope products were largely made by women who were out-workers, although some worked in the factory... they made nets for all sorts of things."

"Vegetables for mass catering were put into nets; there were nets for horse hay and there were hundreds of thousands of horses; there were lanyards for whistles and other items and all of them were made in and around Bridport."

Kate says that for women the Great War was a pivotal moment: "For the first time they were addressed by the Government; the Government wanted them to go to work, it wanted them to help in the war effort. Until then women were really invisible in public life, they were only domestic creatures, but as a result of the War they became public and were addressed by the Government who normally didn't bother with women – they just wrote to their husbands, or their fathers."

# Dorset Cereal company joins forces with Woodland Trust

DORCHESTER-based Dorset Cereals is hoping to help plant 16,000 trees with the help of the Woodland Trust by the end of this year.

The company has created a new pack for its Perfectly Balanced Muesli, which is being sold in Waitrose, with three pence from every sale going towards the cost of a tree.

Dorset Cereals say the Woodland Trust campaign fits in with the company ethos of doing all it can to look after the environment.

It already sends all its food waste to the biogester at Rainbarrow Farm which provides the local com-

munity with gas; uses recycled cardboard on all its packs and recycles all card and plastic waste.

Mandy Cooper, head of marketing at Dorset Cereals, said: "We are thrilled to be working with Waitrose on this special edition pack. They, like us, are big supporters of The Woodland Trust and together we want to raise as much money and awareness as possible for tree planting across the UK."

Established in 1972, The Woodland Trust is the UK's leading charity championing native woods and trees. It has more than 500,000 members and supporters.

# Tom takes society golf cup in competition

ON his first attempt, Tom Lane from Dorchester won The Society of Dorset Men's Hambro Golf Cup competition.

This annual competition for society members began in 1938 and takes place at Came Down Golf Club, birthplace of the Ryder Cup.

Captain Angus Hambro (1887-1957) served as a junior member of the Government in the First World War. He was the MP representing Dorset South from 1910-1922 and Dorset North from 1937-1945. As a prominent member of The Society of Dorset Men, he donated the silver trophy 75 years ago and it has been competed for every year since.

The field of 17 players, including six previous winners, found scoring difficult on a perfect bright and sunny Dorset morning. Tom Lane won with 35

points, followed by Mike Smeaton on 33 then George Johnson, David Shaw and Peter Fry all on 32 points. David Shaw won the prize for being nearest the pin in two on the third hole.

Among members on the course this year was Sir Patrick "Paddy" Hine GCB GBE, a recent Captain of the Royal and Ancient Golf Club.

The Society of Dorset Men was founded in 1904. The society has a long and rich history, beginning as the Society of Dorset Men in London and aiming to bring together fellow Dorsets in the capital city.

However, since the 1950s, the main activities of the organisation have been centred on Dorset. Today, there are around 1,200 members throughout the UK and all over the world.

# Christmas in LYME REGIS

## Christmas illuminations to light up town

**T**HE festive season in Lyme Regis will kick off on Saturday, November 30th with the switch-on of the Christmas lights – widely thought to be among the best on the south coast.

A whole afternoon of festive fun will be held in the town centre before the “big moment”, including the unveiling of Windows Wonderland, with shop fronts of several businesses being professionally painted to depict the “12 Days of Christmas” carol. Each scene will contain a hidden letter which, when put together, will spell out a Christmas phrase. Shoppers will be encouraged to work out the phrase and enter a grand prize draw. There will also be the chance to win a Love Lyme hamper in a raffle, a Santa’s grotto at the Royal Lion and a Christmas hat competition.

The annual Christmas lantern-making workshop will be held in the Baptist Church Hall from 3pm with judging at 4.30pm. This will be followed by the Christmas Lantern parade, led down Broad Street by Father Christmas and Lyme Regis Majorettes

at 5.15pm.

The big switch-on will take place around the tree at the bottom of Broad Street at 5.30pm. This year, five-year-old Amelie Austin will do the honours in memory of her great-grandmother, the late Barbara Austin MBE, who first organised the parade in 2000 and fundraised to turn the Christmas lights into the current spectacular.

Barbara died shortly after last year’s switch-on but the Christmas Lights Committee have continued to work hard in her absence to raise the necessary funds for this year’s illuminations. The display will include a special candle light on Bell Cliff in memory of Barbara.

Christine Lovell, who has led the organisation of this year’s display, said: “This is a poignant year for us all as we remember Barbara, who started this parade 13 years ago. In her memory we have commissioned a special light to be lit along with this year’s illuminations by her great granddaughter, Amelie, assisted by other members of the Austin family.”

The Christmas season will continue the following weekend, Saturday, December 7th, with the second Great Lyme Regis Christmas Pudding Race in aid of Cancer Research UK. The wacky

event, to be held from 11am to 2pm on Marine Parade, will be opened by West Country television and radio star Judi Spiers and will see teams in

## Serendip

SERENDIP: the ancient name for Sri Lanka, before Ceylon and meaning 'Treasure House'. True to its name, Serendip at 11 Broad Street really is a treasure house of books – and so much more besides.

There are gift ideas galore; a super selection of quality greetings cards and wrappings; great-value Naxos CDs; Christmas cards, calendars and diaries; jigsaws; games – all of which come with a FREE same day delivery service.

We keep an average of 12000 book titles in stock, most others being available through our 24-hour ordering service. Being independent, we are free to select from the 1000 or so books published in the UK each week from any publisher, in order to provide our customers with a wide

range of choice. Our team is always happy to give advice and share their enthusiasm for reading with customers.

When it comes to customer service, we strive constantly to 'go the

extra mile' and perhaps most of all, we pride ourselves on being your local independent bookshop.

We love the festive season here at Serendip, and we would like to

take the opportunity it provides to offer all of our customers huge thanks for their loyalty, and pass on our sincere good wishes for a joyful Christmas, and a peaceful New Year.

# Christmas in LYME REGIS

## Festive fun all December

### ■ CONTINUED FROM PAGE 13

Christmas costume compete across a wacky obstacle course whilst carrying a Christmas pudding and competing other festive tasks on the way.

The pudding race will be augmented by a Christmas food market on the Marine Parade, Father Christmas pulled along on a sleigh by live reindeer, appearances from children's favourites Mickey and Minnie Mouse, Victorian carol singers and live music from the town's chief crooner Ben Kapur. For further details and information on how to take part, visit [www.xmaspuddrace-lymeregis.co.uk](http://www.xmaspuddrace-lymeregis.co.uk)

Matinee and evening performances of the family classic "A Christmas Carol" by the Lyme Regis Dramatic Society at The Marine Theatre on the same day.

Saturday, December 7th will also host "Small Business Saturday", a nationwide campaign organised by the Federation of Small Businesses and designed to encourage shoppers to "shop small" for Christmas this year. The recently formed Lyme Regis Business Group is asking all local traders to participate in the campaign and make a special effort on the day with added attractions and displays to remind shoppers of the variety and quality of the town's independent shops and galleries.

On Saturday, December 8th Lyme Bay Chorale will host their Christmas concert in St Michael's Church from 2.30pm Tickets costing £12 are available from A Kind of Blue, 7 Broad Street, and include a post-concert buffet.

Lyme Regis Town Band will hold their annual Christ-

mas concert at the Woodmead Halls on Friday, December 13th which this year will be free of charge, starting at 8pm. The band will also be performing Carols in the Street from 10.30am to 12.30pm in Broad Street on Saturday, December 21st and on Christmas Eve.

Saturday, December 14th will be "Love Lyme Retail Therapy Day", also organised by the business group. Local residents and visitors will be given a chance to see what Lyme has to uniquely offer, with many businesses offering special discounts and local pubs and restaurants providing new festive menus and Christmas-themed drinks.

The Rotary Club of Lyme Regis will once again be organising the popular Carols Around the Tree, to be held on Tuesday, December 23rd from 7pm to 7.45pm around the Christmas tree in Broad Street. Carols will be accompanied by the town band and soup and refreshments will be provided.

**Celebrate this  
Festive Season**

by getting together with family and friends

This festive season enjoy our specially prepared and locally sourced lunch. From crackers through to our Pastry Chef's lovingly made mince pies. You'll be able to choose from dishes such as locally shot pheasant and chestnut terrine with a fig am, pan fried saddle of Crewkerne venison with a juniper jus and of course free range Devon turkey with all the trimmings. Christmas pudding with brandy sauce completes the festive picture!

We shall be serving our festive menu daily from Sunday, 1st December

## Lyme's Fish Bar

LYME'S Fish Bar has been in business in the world heritage site of Lyme Regis for many years and was the first take-away in the town after the Second World War. Lyme's Fish Bar was founded 27 years ago by the Pelaou family and remains in their capable control.

Here at Lyme's fish bar, we cut and fillet our fish on-site for maximum freshness.

Our chips are hand-made from the finest Maris Piper potatoes, which are peeled and chipped on the premises for extra flavour.

The building that we operate in fits very well with this historic town as we are situated on the old main street known as Coombe Street (formerly known as Horse Street in the 19th century) and was the only route into town.

The building itself dates back more than 500 years and was once used as the parish poor house.

Our second outlet is situated along the seafront very close to the beautiful sandy beach. This is a take away only site, so you can enjoy your fresh fish and chips on the beach.

Lyme's Fish Bar will be open until 9:00pm so make your festive evening complete with a stroll around the corner for a warming supper from 'the chippy'.

## Clarondene

HAPPY Christmas, One and All!

Clarondene and Lyme Regis' Christmas is always special. At Clarondene, as we now have live-in carers, we have both resident staff and Alison & Residents here, so even more reasons to look forward to fun this festive season!

On 1st December, all the decorations will go up – indoors in the lounge, corridors and bedrooms, and outside in the newly renovated balcony and gardens. Again, we thank Manolo and Salvador for all their hard work and skills during their months here, which have given our building a face-lift ready to face what we all expect to be a hard winter. We will send pictures over to sunny Spain to show them how pretty the place looks once decked, especially how the coloured garden lights will reflect in our new waterfall!

We are looking forward to our decorations, the Lyme Christmas lights and our trip to Beer to admire their fund-raising efforts. We have booked 8 tickets for 'A Christmas Carol' in the Marine Theatre, will attend the Christmas Market, and take a look around Otter Nursery before a festive meal there. We are

planning an Old Time dress-up Dance, a Christmas Open Morning, and an International Feast with traditional Czech, Bolivian, Philippine, Spanish and Romanian Fayre, as well as all the exchanging of cards and gifts.

We will also think about the true meaning of Christmas, helped as usual by our faithful Bethany friends. We will remember those Christmases passed, spent with loved ones we no longer see, and with friends and family in other times and places. There are poignant moments for everyone at Christmas, but for those who no longer live independent lives it is even more important for them to feel appreciated, cared for and safe in cheerful surroundings. We remember and do not forget those who spent previous Christmases with us and are now gone.

And to Cyril, as he approaches his 86th Birthday this December and his 6th Christmas here at Clarondene, we wish Happy Birthday, Merry Christmas and, in the words of Brucie, (slightly adapted)... KEEEEE BUSY!

## Town Mill Brewery

WITH Christmas fast approaching, it's time to plan the festivities. Having a party? Drinks with family? Town Mill Brewery can supply real ale in 5,10 or 20 litre beer boxes, or if you're really thirsty, in 72 pint casks. With free local delivery, there's no better way to get into the party spirit.

Nestled in the old town in Lyme Regis, we create delicious real ales in the traditional way using malted barley, hops, yeast and water. The ever popular beers Cobb, Lyme Gold, Town Mill Best, Black Ven and Revenge are available in pubs across the South West, or as bottle-conditioned ales in shops and restaur-

rants. Lucy's Sledge, our spiced orange Christmas Special, is perfect for mulled ale. That'll warm you up.

Our delicious chutneys are created locally and exclusively for us, using our ales and malts to give a rich, intense flavour. They're very tasty indeed and popular with ale and chutney lovers alike. Perfect with turkey.

Stuck for a present for the beer lover in your life? Then look no further. Everything from stocking fillers to presentation packs is here at the Town Mill Brewery in Lyme Regis.

Need to find a birthday present or thank you gift for a friend or loved one? Look no further than Liberty & Friends; they have various handmade cards, jewellery, bags, and children's toys with a fantastic selection of kid's puppets from the Puppet Company, and another new addition to the shop - Gifts in Times. There is a range of these for all sorts of things and prices are £11.99 each or 2 for £20.00, 3

for £30.00 etc.

Why not pop in, and have a look at all their lovely pieces, you will definitely want to treat yourself!

## Boat Building Academy

THE BOAT Building Academy is launching the latest flotilla of boats built by its students at 1000 on 9th December at Lyme Regis harbour. The Academy's now famous bi-annual event celebrates the end of their 38 week Boat Building, Maintenance and Support course and demonstrates the range of skills the students have learnt during their training. Built using both traditional and modern construction methods the boats include a 10' traditional clinker rowing boat, a 14'5 Herreshoff Biscayne Bay sailing skiff, a Hiawatha 15' cedar strip plank canoe and 17' western red cedar Arkansaw Traveller canoe with decorative inlaid woodwork.

The eleven students who make up the Class of March 2013 come from all over the country and have a diverse range of backgrounds. Some of them will leave Lyme Regis to work in boatyards (two have jobs at two of the most prestigious yards in the UK, Spirit Yachts and Henwood and Dean), others will work for themselves and others will end their sabbatical with new practical skills that will serve them a lifetime.

Come rain or winter sunshine the staff and students at the Boat Building Academy would like everyone to join them in celebration of the students' achievements.

# Christmas in LYME REGIS

## A Touch Of Vintage

WHY not visit our lovely shop for your Christmas shopping this year. We always carry the full range of all the latest Cath Kidston designer goods, but this year we have the new Cath Kidston Christmas range of items with her distinctive Father Christmas design in aprons, oven gloves and mugs.

The shop also stocks Cath Kidstons ever popular day bags and everyday bags as these are waterproof oil-cloth they often form a staple accessory for many women.

Building on our success in selling hats last year we have increased our wonderful range of hats to include designer waxed hats along with hand made head bands and hats from the local town milliner. So if you want to stay warm and snug this winter why not treat yourself. If you really want to cut a dash "Downton Abbey style" we have beautiful Italian designer felt creations this year in various colours and sizes to choose from. We will be so pleased if you want to pop into the shop and see all this great new stock for yourself!

We have many ideal Christmas presents, we sell pretty manicure sets, toiletry sets, wash bags, towels, wash mitts, flannels and dressing gowns.

The humble mug is always an acceptable present as we all do break one from time to time. We have an extensive range of unusual British designer bone china mugs. But this year we have an elegant new winter from Sophie Allport featuring Stags and Deer, in this range we also have oven gloves and tea towels.

We have been lucky enough this year to get a stock of the winning designer "Gloves of the year" these are soft warm elegant gloves with feature covered button cuffs in the seasons plums and aubergine colours. There is

also a full selection of other top fashion gloves to choose from everything from funky chunky knitted mitts and fingerless gloves to elegant high quality leather gloves in all colours, we even stock the beautiful leather gloves Princess Kate wears!

Our little shop also has an ever growing fabulous selection of scarves from excellent value Christmas present priced scarves and fashion knits to intricate designs in quality cashmere and glittering throws for that special Christmas party.

We have wonderful vintage Silver Plate candlesticks, tureens, teapots and cream jugs in silver plate, the glint and gleam of these heirloom items will transform your Christmas table and can be brought out year after year to give Christmas that "Downton Abbey" feel.

This year we increased our range of Christmas decorations yet again as the choices items we have stocked over the last couple of years have proved so popular. This year not only do we have our very sophisticated range of baubles and our own "Touch of Vintage" baubles in presentation boxes; but some larger pieces to dress your home for that special day. We have large stags with silver glitter or in gleaming red wood and bundles of white and silver brushwood to effortlessly bring Christmas into any room.

Upstairs we have an exhibition of the winter range of prints, Xmas cards and mugs from our resident artist Ronnie Creswell.

We have built our high reputation on customer care and constantly offering new ranges of designer stock in our bright friendly and very pretty shop. We hear time and again how much people love our shop and find the shopping experience enjoyable and how they look forward to coming back every time they visit Lyme Regis.

Nothing is ever too much trouble for our friendly staff who are here help customers and make them feel welcomed and at ease.

So we look forward to welcoming old and new customers this Christmas season to "A Touch of Vintage, 51, Broad Street, Lyme Regis Tel:- 01297 442233.

Standing, from left, are Batten's solicitor Natalie Mason, Wessex FM presenter James O'Neill, SafeWise education officer Dave Allan, Batten's Business Development Manager Trudy Braithwaite, Batten's solicitor Sarah Ford, and Dorset Police community support officers Kelly Rothwell and Debbie Oswald-Watson

## Children stay safewise

HUNDREDS of Dorset schoolchildren are to receive life-saving lessons in road safety thanks to a law firm's charity arm.

Batten's Solicitors Charitable Trust has teamed up with the SafeWise safety education partnership to provide training packs and free interactive resources for primary age pupils.

The £18,000 initiative will enable schools to hire a "Street Feet" simulated road layout free of charge. The roll-out resource, which can be delivered direct to school premises, comes with traffic signs and illustrated "vehicle" vests for children to use in hands-on role-plays.

The trust is writing to more than 100 primary schools across Dorset to advise them of the scheme and has already pledged 40 cash donations in support, totalling £8,000, following initial outreach to school contacts.

In support of the initiative, a 14-week awareness campaign with safety messages is starting on the School Report feature on Wessex FM's Breakfast Show. Advice and messaging will be timed to coincide with the morning school run and complement the themes of national Road Safety Week, which runs until November 24th.

The trust's decision to focus on children's safety awareness follows a dramatic reduction in the Department for Transport's national budget for primary age road safety promotion. The government cut, from £3.78million in 2009/2010 to just £78,000 in 2012/2013, has seen the scrapping of familiar television advertising including well known safety characters such as Green Cross Code Man and Tufty.

Trustee and Batten's director Stuart Allen said: "We are providing funding from the trust to enable schools to work with re-

sources in a way that suits them.

"We know teachers are best placed to help children learn in a safe way about how to make responsible decisions when they are out and about.

"Hopefully a strong safety message from the first years of primary schools will stay with the children as they grow older."

Department for Transport statistics show police dealt with 2,415 casualties

on Dorset's roads last year including 24 deaths and 369 people seriously injured.

Alison Shelton, Manager of SafeWise partner LV=Streetwise, said: "Road safety is an essential life skill that children should learn as early as practicable so focusing on those in primary education is absolutely right.

"Starting the campaign just as the nights are getting darker is ideal as it reiterates the vital issue of

visibility in safe road use."

Batten's campaign was launched with a reception at the SafeWise Centre in Weymouth.

Among the guests were Wessex FM Breakfast Show presenter James O'Neill, local schoolchildren and representatives from road safety partners including the police and fire services.

Batten's is a Legal 500 firm with offices in Weymouth, Dorchester, Sherborne and Yeovil.

■ FROM left Alison Ryder, chairman of Gully's Place charity; Ellis Ford Beerex 2014 Chairman; Rich Gabe West Dorset CAMRA and Rob Martin Dorset Piddle Brewery Director

AN end of life care unit for children at Dorset County Hospital will benefit from the upcoming Dorchester Beerex.

"Gully's Place" is an area that is coming soon to the children's unit at the hospital with the sole aim of providing a purpose designed suite which will offer dignity and privacy to young patients requiring palliative end of life care. It will also provide facilities for their families to stay with them.

Lead paediatric nurse and chair of Gully's Place charity said: "We'd like to thank the Beerex committee for nominating us as their main charity and look forward to the festival."

The 26th festival will be held over the weekend of Friday, February 7th and Saturday, February 8th in the Dorchester Corn Exchange.

The event is run and organised by a committee made up of members of West Dorset Campaign for Real Ale (CAMRA)

and Dorchester Round Table.

During the last 25 years the festival has raised more than £100,000 for charities and good causes.

Dorset Piddle Brewery has offered to sponsor the event - helping make sure the maximum amount goes to charity.

Brewery director Rob Martin said: "We are delighted to sponsor the event and look forward to a fun filled weekend helping to raise money for Gully's Place."

Beerex 2014 chairman Ellis Ford said: "I am honoured to be part of the team raising money for Gully's Place and look forward to using funds raised at Dorchester Beerex to help with their care work."

Tickets for the event will go on sale from January 1st.

Local companies are being asked to help with barrel sponsorship. Those who can assist are asked to call Rich Gabe on 07771 903868.

# Encouraging results from restorative justice scheme

DORSET Police say hundreds of young offenders each year are learning about the impact of their actions thanks to the success of Restorative Justice.

In April 2013 the force launched its new "Out of Court Disposal" scheme where Youth Restorative Disposals are issued to young people aged between 10 and 17 who have committed certain low-level crimes.

Between April and September, 165 young people, with ages ranging between 10 and 17, were given a Youth Restorative Disposal.

The young people were dealt with for offences such as assault, criminal damage, theft and shoplifting.

A Youth Restorative Disposal was introduced to divert young people away from the criminal justice system.

The disposal involves victims, offenders, relatives and witnesses coming together to work out how to deal with what has happened and for the offender to make amends.

Each offence is looked at individually through consultation with youth offending teams and local safer neighbourhood officers.

Yvonne Surman, lead on Youth Out of Court Disposal, said: "Restorative justice was introduced to divert young people away from the criminal justice system. It has been very successful in Dorset with significant reductions in the number of children and young people entering custody and appearing before the courts. It has also produced very high satisfaction rates among victims involved in the process.

"In certain cases officers are able to offer a Youth Restorative Disposal instead of a formal caution to young people who have committed a minor offence and where the victim is supportive of the process."

To support the partnership approach, the Safe Schools and Communities Team (SSCT) have trained 40 members of Youth Offending Team staff and volunteers.

Mrs Surman said: "Utilising restorative practices to deal with low level crimes seemed a logical step. The

Safe Schools and Communities Team's ability to provide on-going support, advice and guidance to front-line and safer neighbourhood officers undertaking restorative disposals has been instrumental in its success."

Dorset Police first used Restorative Justice in April 2008 under the Restorative Reprimand Scheme. It was launched with three main aims: to increase victim satisfaction in how Dorset Police dealt with crime, reduce the number of first time entrants in the youth criminal justice system by 70 per cent over a three year period and reduce re-offending.

Between 2008 and 2011, Dorset succeeded in reducing the number of first time entrants into the youth criminal justice system by 70 per cent.

In April 2013 Dorset's Restorative Reprimand Scheme was integrated into the new youth Out of Court Disposal scheme following the introduction of the Legal Aid, Sentencing and Punishment of Offenders Act.

## Big plans for year ahead

DORSET'S Police and Crime Commissioner hopes to double the number of Special Constables in the county in the year ahead.

Martyn Underhill's objectives for the next 12 months, after a year in office, also include setting up a scheme to help people with mental health problems who are taken into custody and to continue pressing for an independent body to investigate complaints against the police.

He also wants to set up a Youth Summit.

Marking his year in office he said the new post has helped narrow the gap between police and the public.

"I truly believe that PCCs are starting to make a difference and are narrowing the gap between the police and the public. I hear incredible stories every day of people going that extra mile to help people in crisis, to help keep our streets safe and that is humbling.

"It is important for us to work together and to share our learning and experiences. Next year, I want to get bigger and better by expanding our engagement with roadshows and a Youth Summit. I am looking forward to the next 12 months.

"I am determined to ensure that Dorset remains one of the safest counties to live, work and visit."

Mr Underhill cites his work with victims as his key success: "Victims are at the heart of my work and I will always put them first. As I mark my anniversary week, I launch the Dorset Victims Bureau – one of only two in England and Wales. It will grow to become the first multi-agency victim's service in the country, encompassing all the Criminal Justice Agencies.

"I have also introduced victims forums in Dorset, as I want to give victims a voice so I can hear about their journey and find out how to meet their needs."

The Commissioner is also working on a new victims website for Dorset which will signpost victims to relevant partners and agencies for their particular crime, and offer advice and FAQs.

## Charity responds to Philippines typhoon disaster

SAMARITAN'S Purse is stepping up its efforts to provide desperately needed relief to victims of Typhoon Haiyan in the Philippines, which has claimed thousands of lives and left widespread devastation.

The international Christian relief organisation expects to have more than 25 Disaster Assistance Response Team (DART) members on the ground by the end of this week, providing basic necessities including temporary shelters, clean water, food, and hygiene items.

More than 8,000 hygiene and food

kits were distributed in the northern part of Cebu Island and Bantayan islands.

Bantayan has only 6,100 families but was directly in the eye of the storm and accounts report full devastation of the island.

Three of the Samaritan's Purse DART members currently in the Philippines are from the UK, including Peter Ivermee from Dorset, who was helping distribute tarpaulin and water supplies on Bantayan Island this week.

Peter said: "In a remote village in

Bantayan we were able to work alongside a number of church partners to help us with our distribution efforts."

Trained DART volunteers Ralph Springett and Walter Hope both flew out to join the team to help with logistics.

Ralph said: "These people are desperate for help and we have nothing but compassion for them. My heart goes out to these people, it's just horrendous."

A Boeing 747 plane is expected to fly in six water filtration systems,

four of which are being provided for by funds from Samaritan's Purse in the UK; each system can provide clean, safe water for 2,500 people a day. Included in this airlift also are bladder tanks and tap stands for water storage and distribution, medical supplies, mosquito nets, blankets and more than 5.5 million square feet of plastic sheeting to provide shelter.

In addition to fielding DART volunteers, Samaritan's Purse has already committed £120,000 in funding to relieve hardship for survivors of the typhoon.

# Church tower restored to former glory

A GRANT from the Dorset Historic Churches trust has ensured the restoration of a 600 year old church tower.

St Peter's at Long Bredy had to find £40,000 to secure the inside and outside of the tower which dates back

to the 15th century.

A grant of £9,500 from the Dorset Historic Churches Trust meant the restoration could be completed before the start of the winter weather

Grants from other organisations, including the National Churches Trust,

the Erskine Mouton Trust, the Wolfson Foundation, the Garfield Weston Foundation, Alun Evans Trust and the All Churches Trust alongside local fundraising activities, helped to meet the funds required.

In addition, a regular

team of local parishioners, including Rachel Maltby, have raised thousands of pounds over recent years taking part in the annual Dorset Historic Churches Trust Ride and Stride event.

Dorchester-based church architect, Daniel

Cantrell from John Stark and Crickmay, supervised the work to repair much of the 600-year-old tower, carried out by South Peter-ton-based Gale's Building Conservation.

Andrew Boggis, Deanery Representative for DHCT, said: "The Trust was delighted to be able to award this grant to St Peter's, in order for the important repair work to the tower to be completed.

"Getting the work finished before the autumn and winter was an important goal for the team, and we are very pleased that the church tower building has now been secured from the inside and outside."

Ray Winter from St Peter's Parochial Church Council, added: "We are very grateful for the donation from Dorset Historic Churches Trust and from the fundraising activities from local parishioners.

"The repair work to the tower has been needed for many years, so we are very relieved that it has now been completed and visitors to the church can once again enjoy the magnificent tower restored to its full glory."

# Wildlife grant will improve children's access to nature

DORSET Wildlife Trust has won a national award to develop its work with local schools.

The national education charity The Ernest Cook Trust has awarded an £8,700 to Dorset Wildlife Trust's Access to Nature project.

The project involves activities using school grounds and local nature reserves.

The grant will help employ a full-time education officer as well as producing education packs and materials.

Derek Turnbull, Dorset Wildlife Trust's Grants Officer, said: "We are

grateful for the generous support of the Ernest Cook Trust for our educational work with local schools.

"Educating children and young people about the importance of protecting our natural environment is vital if we are to secure its long-term future."

The Ernest Cook Trust owns and manages 22,000 acres of landed estates across five English counties, and helps children to learn from the land through a range of educational programmes.

Its trustees also distribute £1.8million a year in educational grants to benefit children and young people.

# Charity thrilled with 'bag-a-thon' response

UNWANTED items donated to the British Heart Foundation (BHF) could raise more than £2.5million for the charity.

The BHF appeal for bags of unwanted items led to 127,100 bags being dropped off at the charity's shops throughout the region, including its Dorchester shop in Cornhill.

The "Great British Bag-a-thon" is expected to raise enough money to fund more than 40 research projects to fight against the nation's biggest killer, heart disease.

Angie Vidler, Regional Manager for BHF shops, said: "We have had an

amazing response, with more than 127,100 bags donated from the people of the South West, and with each bag worth up to £20; this could be worth a possible £2,542,000.

"Thanks to the tremendous contribution we have been able to hit our national target, raising an overwhelming 1 million bags nationwide."

She said that BHF South West shops welcome donations of good quality shoes, accessories, CDs, DVDs, books, toys, china and ornaments.

The charity also runs a free collection service which can be contacted on 0844 412 5000.

## Wise Owl Toys

### A wise choice for fun & educational play!

**WISE** Owl Toys is family-run by David and Lesley James. It is an independent toyshop which places customer service and expert knowledge as their main priority. They seek to offer different, inspiring and fun toys and games that also have an educational aspect.

This Christmas they continue to have a great choice of traditional toys such as Farms, Castles and Dolls' Houses and you can reserve any product to avoid missing out at Christmas. They also stock a large range of craft and science based toys.

The Dorchester shop has probably the largest selection of Playmobil, Sylvanian Families, Schleich and Papo in the area, with the new Playmobil Dinosaurs, Western and Hotel ranges on display.

David and Lesley look forward to welcoming new and existing customers to their wonderful shop in Hardye Arcade, Dorchester in the run up to Christmas.

## DJ BOY GEORGE COMES TO BRIDPORT FOR CLUBBING AND CULTURE!

Honey Trap Disco featuring Boy George at Electric Palace

BOY George is universally recognised as one of the music scenes most iconic artists and for the past 30 years has maintained a strong position at the forefront of this ever-changing, multi-faceted industry. To date George has sold over 100 million singles and in excess of 50 million albums as a performer and songwriter with 80's super group Culture Club and as a solo artist in his own right. He also continues to be one of the worlds most successful and in-demand international DJs touring extensively across the globe.

A DJ since the late 70's, Boy George has had a long and successful career associated with house music stemming from early acid house and Chicago grooves in the 80's, through to electro and tech house in the 90's and 00's. Opening 2011 with the release of his long awaited artist album 'Ordinary Alien', a dancefloor focused album that consisted of unreleased material, George decided to return to the business of running his own record label, so back in spring 2011 he launched a new musical era in his career with the birth of VG Records with fellow DJ/producer Marc Vedo. Geared towards releasing cool, credible house tracks the label gives George and Marc the freedom to sign both underground and commercially respected artists. With a long list of guest slots on radio stations such as Radio 1, Kiss FM, Sirius and Capital, George has also featured heavily on TV shows around the world with appearances on programmes like BBC 1 Jonathan Ross, Jools Holland, Never Mind the Buzzcocks, VH1, Top of the Pops and CD:TV.

Honey Trap Disco featuring Boy George will be at Bridport's Electric Palace on Friday, December 13th. Doors

### REVIEW

Charlie Dore & Julian Littman,  
plus Edward's Electric Chorus  
Thursday, October 17th  
Electric Palace, Bridport

BRIDPORT'S Electric Palace played host to an enthusiastic audience assembled to hear the well-known singer songwriters Charlie Dore and Julian Littman (Steeleye Span), and newly-formed local choir 'Edward's Electric Chorus'.

Charlie and Julian entertained with a well chosen selection of folk music, both new and from their various albums. Charlie delighted the audience with anecdotes describing the situations which gave rise to some their songs, and her lively banter created an infectious bond between the audience and performers.

Edward's Electric Chorus, set up by local choirmaster Edward Jacobs, is an amalgam of two local choirs, The Axe Valley Community Choir and the Charmouth and Bridport Pop and Rock Choir. The chorus opened the evening with a selection of favourites from their extensive repertoire, starting the with rousing 'Sun Arise'. Their program also included a moving rendering of 'I Dreamed a Dream' and ended on a joyous and toe-tapping version of 'Jambalaya'. This all set the tone for a magical evening of vibrant entertainment.

Charlie Dore is a master of unusual and individual lyrics, always thought provoking with gentle humour. She was supported admirably by Julian Littman, whose inimitable skill with instruments such as guitar, ukelele, and mandolin was certainly full of energy.

**Charlie Dore with the Electric Chorus**

Extra support was provided by folk performer Reg Meuross. Both he and the Electric Chorus gave polished performances, which blended well with the relaxed and captivating delivery of these two award-winning artists.

Edward Jacobs was musical director for the chorus, and managed the liaison between Charlie Dore and the choir. This skill produced a perfect fusion between the various elements of the evening.

Charlie spoke of her delight at working with such a fearless choir who took on new pieces, as well as established pieces such as 'Pilot of the Airwaves', to accompany herself and Julian so powerfully.

Edward's efforts were rewarded with a very well deserved round of applause from the audience.

The 'club' style seating layout in the theatre helped the audience feel part of terrific live entertainment, producing that feeling of inclusion which always marks wonderful evenings such as this.

ELECSA provides inspection, assessment and certification services to contractors working across the building services sectors. ELECSA is authorised to deliver the following schemes:

- Part P for those contractors working with electrical installations in private dwellings
- Microgeneration Certification Scheme (MCS) for

- those contractors installing renewable technologies
- Green Deal Installer scheme for those installing energy efficient products and technologies across the building services sector
- BAFE approval schemes for contractors installing fire alarm and fire detection systems or those undertaking fire risk assessments

# ELECSA

[www.niciec.com](http://www.niciec.com)

THE NATIONAL Inspection Council for Electrical Installation Contracting (NICEIC) is one of several organisations, which regulates the training, and work of electrical enterprises in the UK. Once contractors become registered with NICEIC, they are re-assessed on a regular basis to ensure high standards. NICEIC registered electricians are a householder's best way to ensure a safe job. NICEIC helps to protect householders from the dangers of unsafe electrical installations. We provide advice on the dangers of electricity and building regulations.

[www.bafe.org.uk](http://www.bafe.org.uk)

If you require fire protection services for your premises then YOU NEED BAFE to be sure that the companies that provide them meet all the appropriate standards and are independently audited. BAFE third party certificated schemes are a recognised measure of the quality required to provide fire protection services.

BAFE is supported by Statutory bodies, the

Fire and Rescue Services, Insurers and leading Certification and Trade Bodies.

BAFE develops Third Party certification schemes with all the interested parties and works with UKAS accredited Certification Bodies to assess and approve companies to these standards. There are now well over 1000 organisations located throughout the UK, registered to BAFE schemes

THE FSB is non-profit making and non-party political.

The Federation of Small Businesses is the UK's largest campaigning pressure group promoting and protecting the interests of the self-employed and owners of small firms. Formed in 1974, it now has 200,000 members across 33 regions and 194 branches.

### Lobbying

Our lobbying arm - led by the Westminster Press and Parliamentary office - applies pressure on MPs, Government and Whitehall and puts the FSB viewpoint over to the media. The FSB also has Press and Parliamentary Offices in Glasgow, Cardiff and Belfast to lobby the devolved assemblies. Development Managers work alongside members in our regions to further FSB influence at a regional level.

### Member Benefits

In addition, Member Services is committed to delivering a wide range of high quality, good value business services to members of the FSB. These services will be subject to continuing review and will represent a positive enhancement to the benefit of membership of the Leading Business Organisation in the UK.

### Vision

A community that recognises, values and adequately rewards the endeavours of those who are self employed and small business owners within the UK

### Mission Statement

To be and remain the largest and most effective or-

ganisation promoting and protecting the interests of the self employed and small business owners within the UK.

### Principal Objectives To Achieve The Mission Statement

To recruit continuously at a high level

To retain as many members as possible

Gas Safe Register is the official gas registration body for the United Kingdom, Isle of Man and Guernsey, appointed by the relevant Health and Safety Authority for each area. By law all gas engineers must be on the Gas Safe Register.

Gas Safe Register replaced CORGI as the gas registration body in Great Britain and Isle of Man on 1 April 2009 and Northern Ireland and Guernsey on 1 April 2010.

What does Gas Safe Register do?

The main focus of the Register is on improving and maintaining gas safety to the highest standards. We make sure all gas engineers on the Register, over 125,000, are qualified to work with gas.

We work to protect the public from unsafe gas work through;

- A dedicated national investigations team tracking down individuals working illegally
- Regular inspections of Gas Safe registered engineers
- Educating consumers and raising awareness of gas safety
- Investigating reports of unsafe gas work.

Gas Safe Register is here to help keep you and your family safe.

### Buy with Confidence -Trading Standards Approved

About the Buy With Confidence Scheme  
In response to concerns about 'rogue traders' which are often highlighted in the media, a partnership of Local Authority Trading Standards Services have taken a ground-breaking step by putting together the Buy With Confidence Scheme. The scheme provides consumers with a list of local businesses which have given their commitment to trading fairly. Every business listed has undergone a series of detailed checks before being approved as a member of the scheme.

## Criminal Records Bureau

The Criminal Records Bureau (CRB) and the Independent Safeguarding Authority (ISA) have merged to become the Disclosure and Barring Service (DBS). CRB checks are now called DBS checks. A DBS check may be needed for:

- Certain jobs or voluntary work - eg working with children or in healthcare
- Applying to foster or adopt a child

There are different rules for getting a criminal record check in Scotland and Northern Ireland.

### How to get a DBS check

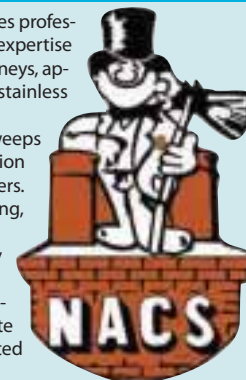

1. The employer gets an application form from DBS or an umbrella body (a registered body that gives access to DBS checks).
2. The employer gives the applicant (job candidate) the form to fill in and return to them along with documents proving their identity.
3. The employer sends the completed application form to DBS or their umbrella body.
4. DBS sends a certificate to the applicant. The employer will have to ask the applicant to see the certificate.

# A celebration of the music of Santana

RECENTLY described by Classic Rock Magazine as "One Of The Top 5 Must See Tributes In The UK", phenomenal 7-piece Latin rock explosion *Viva Santana* continues to amaze fans wherever they present their celebration of the music of the legendary Carlos Santana.

Created in the spring of the millennium year by inspi-

ration Spanish guitarist Marcos Rodriguez, the Viva Santana family consists of talented, dedicated, professional musicians who fully immerse themselves to recreate the moods, sounds and atmosphere of Santana's music with passion, heart, soul and chilling accu-

racy. The current line up of musicians have played and toured with such artists as Roger Daltrey, Joan Armatrading, Matt Bianco, Jethro Tull, Bad Manners, Desmond Dekker, Yes and Robin Jones who now tours with the band. "Tribute Band" simply doesn't do them justice.

Viva Santana play at the

Marine Theatre, Lyme Regis on Saturday, November 30th. Doors open 7.45pm. Tickets cost £14 and £13 concessions.

Tickets are available online at [www.marinetheatre.com](http://www.marinetheatre.com) or by calling 01297 442138.

## TREASURE ISLAND

THERE be a mutiny! Robert Louis Stevenson's classic tale 'Treasure Island' comes to Dorchester Corn Exchange on Friday, December 6th and to Bridport Arts Centre Saturday, December 7th.

Performed by award winning theatre company Mind the Gap, the story is re-told by nationally acclaimed writer Mike Kenny and set in a supermarket where everyday objects are transformed as late-night shelf stackers let their imaginations run wild.

As modern-day and fantasy worlds collide, Flint's supermarket becomes the scene for adventure where carrots transform into parrots and cut-loaves into cutlasses! Shopping trollies become ships, tin cans become parrots and checkouts become desert islands!

# MONSTER BOOK SALE AT DORSET COUNTY MUSEUM

## Calling all book buyers, collectors and bargain hunters

DORSET County Museum is holding a massive second-hand book sale from Friday, November 22nd to Monday, November 25th between 10.00am and 4.00pm. Thousands of quality books will be sold at bargain prices - fact, fiction, hardback and softback. Hundreds of subjects will be represented including travel, history, music, art and gardening. A wide selection of fiction will also be available including hard and soft backs. A few minutes' careful searching could reveal untold treasures!

In addition, there will be a sale of Dorset Natural History and Archaeological Society and Dorset Record Society publications at knock-down prices - available only to buyers who visit the sale in person. The Museum's well-stocked gift shop is also well worth a visit with Christmas lines now available, and the popular tea room awaits weary bargain hunters.

All proceeds go towards the upkeep of the Museum and its extensive collections. Everyone is welcome and entry to the sale is free - it would help the Museum if visitors could bring their own bags as supplies of plastic bags will be limited. Please note the Museum will not be open on Sunday 24 November. For more information contact the Museum on 01305 262735 or visit the website on [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org).

## Traces of the British Empire in India: a talk at Dorset County Museum

ROLAND Tarr will give a talk at Dorset County Museum on Thursday, November 28th, entitled 'India, Traces of the British Empire, Bombay to Calcutta 2013'.

Just before leaving to travel across central India earlier this year, Roland Tarr was asked by a friend what still remains of Britain's presence in India. Taking up this theme, his illustrated presentation will show some of the extraordinary architectural and engineering feats of the empire. The talk will also discuss some magnificent palaces, castles, temples and landscapes of the sub-continent.

All are welcome to this talk at the Museum. Entry is free of charge but a donation of £3 is encouraged to cover costs. For further information please see [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org) or telephone 01305 262735.

# Dizraeli and the Small Gods bend the boundaries of Hip-hop

DIZRAELI and the Small Gods

DIZRAELI and the Small Gods are a 7-piece band from Engurland, playing a melodic, unashamedly heartfelt reinvention of hiphop.

Headed by award-winning rapper and multi-instrumentalist Dizraeli, The Small Gods formed in autumn 2009 to tour Diz's debut solo album Engurland (City Shanties). Within a year the band had been invited to play on prestigious stages around the country, from Glastonbury's West Holts stage to London's Queen Elizabeth Hall, and had collaborated with artists as diverse as Chris Wood (2x BBC Folk Singer of the Year) and Shlomo (beat-boxer and World Loop Station Champion). Female World BeatBox Champion Bellatrix features as special guest on some shows. After starting 2011 with a UK-wide tour and the release of their single Million Miles, Dizraeli and the Small Gods were featured at over 25 festivals including Reading, Leeds, Latitude and Glastonbury, and earned themselves something approaching a cult following for their live shows.

Dizraeli and the Small Gods play at Bridport's Electric Palace this Thursday, November 21st. Doors open 7pm.

Tickets cost £10 plus booking fee in advance, or £12 on the door. Support comes from The Gaslight Troubadours.

## WHAT HENS DO!

A BRIDE to be and two of her chicks cause mayhem at an Italian restaurant in the Chideock Players latest production, 'Dish of the day', a comedy by Christine Woodhead.

The wine is flowing on this motley crew much to the annoyance of the other diners. An inept waiter adds to the confusion which ends in the long arm of the law getting involved! Just another day in Chideock!

Dish of the day will be performed on November 28th, 29th and 30th at Chideock Village Hall at 7.30pm.

Tickets cost £5 from Hilary Baker on 01297 489555, Chideock Londis Store or at the door.

Church, Bridport.

This beautiful work combines a solo voice and strings in settings of poems by the 17th century poet and priest, Thomas Traherne, which reflect the joy and wonder of a newborn child's innocent perspective on the world. The Bridport Chamber Orchestra are delighted to be playing this with Peter Wilman, a tremendously experienced soloist who has performed in operas, recitals and concerts both in this country and overseas. Peter has been conducted in 'Dies Natalis' previously by the composer's son and performed all Finzi's tenor songs at music festivals, so the audience can be assured of a superb rendition. Other music at the concert will include works by Peter Warlock, Handel and Mendelssohn, and the audience can be refreshed by tea and cakes afterwards. Tickets can be purchased on the door at £8, and from the Bridport Book Shop and Music Shop – don't miss this super event!

## LYME REGIS – FIXED PRICE £499,950

THIS well-appointed detached three bedroom house is located in a popular residential area of Lyme Regis and benefits from having a large garden with a fully equipped log cabin, workshop and shed.

A detached house built approximately 15 years ago and presented in excellent order being situated in the popular residential area of Colway Lane in Lyme Regis. The accommodation briefly comprises; entrance hall, downstairs WC, lounge, study, kitchen and utility room and conservatory. On the first floor: master bedroom with en-suite, two further bedrooms and bathroom. The property benefits from gas fired central heating and uPVC double glazing throughout. To the rear of the property set in the gardens is a Norwegian pine lodge offering extra accommodation with a living area, kitchen area and shower room. A further workshop and shed, garage and ample parking. EPC band D.

Lyme Regis is famed for its many historic connections and character buildings, and of course, for its well known Cobb Harbour. As a resort, it is considered quite unspoilt, but has most of the shops and amenities that one could require, in addition to

which there are numerous leisure activities including both sailing and power boat clubs, a cliff top golf course and a bowling club. The whole coastline with Lyme Regis and Charmouth at its centre has recently been designated a World Heritage Site (and is commonly known as the Jurassic Coast). It lies approximately 5 miles from the market town of Axminster, with its main line railway connections to Waterloo (Approx. 2 3/4 hours). The market town of Bridport is approximately 7 miles distant, with Taunton and Exeter within a radius of about 30 miles with access to the M5 motorway. The county town of Dorchester is within a similar distance.

A viewing is highly recommended to appreciate all this property has to offer.

Audi wins through in UK's  
largest reliability survey

AUDI is the UK's most reliable manufacturer according to the annual FN50 survey, which this year gauged the opinion of over 600,000 company car drivers served by the nation's most prominent leasing companies.

The FN50 survey, commissioned annually by the specialist fleet title Fleet News, is the nation's largest poll of vehicle reliability. It asks participants from the top 50 (by fleet size) leasing companies to rank the best vehicles and manufacturers for reliability, and then filters each category into a Top 10.

Two Audi models – the A3 compact hatchback and the A4 compact executive Saloon and Avant – appear in the Most Reliable Cars Top 10, the A3 ascending from seventh position last year to fifth in 2013 and the A4 from third to second place. The A1 premium subcompact, the Q3 compact SUV and the TT sports car also climbed the rankings in this year's results. According to the magazine's editorial it is these positive movements which have helped to swing the Most Reliable Manufacturer result in favour of Audi.

At the FN50 Awards, held last night in London, Head of Audi Fleet Sales James Douglas collected the Most Reliable Manufacturer Award on behalf of the brand, and commented: "Fleet managers and the drivers they serve have every right to be a brand's harshest critics because so much of their business life re-

volves around the cars chosen by, and for them, and they need to be able to count on them unconditionally. We are delighted that the key fleet-focused Audi models continue to uphold our reputation for quality and engineering excellence in the hands of drivers who arguably demand the most from them."

Audi produces an array of models that combine its famed flair for design, technological innovation and exceptional quality of finish with particular focus on cost effectiveness for business users. The range includes a total of 139 options with emissions of less than 140g/km, 57 variants emitting

120g/km or below and nine undercutting the 100g/km marker.

Highlights from among these economy champions include the A4 2.0 TDI Saloon with its potential for up to 65.7mpg and low 112g/km emissions, the A6 2.0 TDI offering up to 57.6mpg with a 129g/km output and the new generation A8 3.0 TDI quattro, capable of returning up to 47.9mpg while keeping CO2 down to just 155g/km. For the ultimate in VED-beating financial viability in the line-up, three A3 1.6 TDI variants, including the acclaimed new Saloon, pare emissions back to just 99g/km and boost fuel economy to up to 74.3mpg.

▲ Audi in good company | Audi is the UK's most reliable car manufacturer according to this year's FN50 survey of over 600,000 company car drivers.

Suzuki celebrates Swift double win at  
the Green Apple Awards

THE Suzuki Swift won double at The Green Apple Awards at the House of Commons earlier this week. The awards are organised by The Green Organisation and judged by the Midland Group of Motoring Journalists.

Swift took the top prize in the small cars category and second overall, beating competition by

impressing the judges with its great drive, with one judge commenting: "A nippy little engine and agile handling easily make this the best supermini I have driven, perfect for around town."

Green credentials were also highlighted by the panel: "It's never been easier to enjoy a car while admiring the way it empties

its small tank so slowly." Swift has just got even greener with the recent introduction of the updated 1.3 DDiS engine, which produces CO2 emissions of just 101g/km and offers 72.4mpg on the combined cycle. The 1.2 dual VVT petrol engine is one of the cleanest supermini engines on the market, with emissions of just 116g/km CO2 attracting just £30 per year in VED charges (manual transmission).

Swift customers can currently enjoy the benefit of purchasing their new car VAT free until the end of December 2013 with a range of highly competitive PCP offers also available. As an example, the SZ2 three door at £8,999 remains available for a deposit of only £159 followed by 42 monthly payments of £159 and an optional payment of £3,535. The five door SZ2 is also available for £159 per month but requires a slightly higher deposit of £639.

## Distinctive all-new Mazda3 benefits from strong residual values

- Models retain up to 37% of their value at three years/60,000 miles
- All-new Mazda3 is an excellent choice for fleets
- A "competitive player in a heavily crowded sector", says CAP

BUSINESSES taking delivery of the all-new Mazda3, which goes on sale in January 2014, will be making an excellent choice as strong residual values are forecast.

Cost management is top of the fleet agenda and company car decision-makers can save money by ensuring the all-new Mazda3 wins a place on vehicle choice lists as depreciation rates in cash terms are among the best in the sector taking account of both volume and premium badge rivals.

Data from vehicle information providers CAP suggests that at the fleet benchmark of three years/60,000 miles, the all-new Mazda3 will retain up to 37 per cent of its value - comfortably outperforming key competitors.

The all-new Mazda3 will be available in two body styles - hatchback and Fastback (saloon). The 36-strong model range offers the choice of three petrol and one diesel engine all featuring Mazda's breakthrough SKYACTIV technology - the SKYACTIV-G 1.5-litre 100ps petrol engine delivers up to 55.4mpg on the combined cycle and emissions from 119g/km; the 2.0-litre

120ps is just as frugal as the smaller engine and also offers up to 55.4mpg and emissions from 119g/km; meanwhile the 2.0-litre 165ps achieves up to 48.7mpg whilst emitting 135g/km of CO2. The 2.2-litre SKYACTIV-D 150ps diesel engine, which meets Euro 6 emission standards has even better performance returning up to 72.4mpg with emissions from 104g/km.

Diesel demand is expected to be particularly strong - due to first-class fuel economy and low CO2 emissions delivering company car tax bills from £48 a month in 2013/14 for a basic rate taxpayer (£96 a month at the higher rate).

Used car purchasers who invariably seek out models with low CO2 emissions and excellent fuel economy reflects on the all-new Mazda3 hatchback and Fastback diesels ability to retain 35-37 per cent of their value at three-years/60,000 miles, says CAP.

Turning to the diesel Fastback range, residual values are led by the 2.2-litre 150ps SE-L Nav (£21,290\*) and the 2.2-litre 150ps Sport Nav (£22,090), which CAP forecasts will each retain 35 per-

cent of their value at £7,475 and £7,750 respectively at three years/60,000 miles.

Likewise, the all-new Mazda3 petrol-engine hatchback and Fastback models are expected to retain up to 35 per cent of their value at three-years/60,000 miles, according to CAP.

The valuation experts predict that the residual value pacesetters will be the 2.0-litre 5dr hatchback 120ps SE petrol (£16,940) retaining 35 per cent/£5,950 with a similar percentage value being retained by the other 2.0-litre petrol engine models.

All-new Mazda3 adopts the KODO - Soul of Motion - design theme of the Mazda CX-5 and new Mazda6 and CAP forecasting editor (cars) Jeff Knight said: "As another iteration of the KODO design, all-new Mazda3 creates a genuinely distinctive look and feel for a C Sector car.

"It's wider and lower, giving it a more assured road presence - a visual appeal that has already paid off for the new Mazda6.

"Inside there are obvious improvements in the materials used and in the

car's build quality. An increase in interior space has also been achieved, which will be attractive to buyers.

"Allied with lightweight SKYACTIV technology, a well specified car with a 150ps diesel engine offering from just 104g/km of CO2 is a genuinely interesting and competitive player in a heavily crowded sector."

Mazda Head of Fleet Steve Tomlin-

son said: "All-new Mazda3 represents a fantastic cost-effective alternative to the perceived mainstream models in the lower medium sector.

"With fresh styling, great vehicle dynamics, low CO2 emissions, excellent fuel economy and now first-class residual values, we expect the all-new Mazda3 to secure its own niche on the fleet map alongside the ever popular

new Mazda6 and the increasingly in-demand Mazda CX-5.

"The introduction of SKYACTIV technology in both the Mazda CX-5 and new Mazda6 within the past 13 months has helped to increase Mazda's penetration in the fleet sector and the arrival of the all-new Mazda3 with similar benefits will further enhance our corporate proposition."

## News from the Terras and Magpies

# Steelmen too strong for Terras

**CORBY TOWN 3 WEYMOUTH 1**  
*Calor Premier – att: 390*

DESPITE taking the lead against lowly Corby Town Weymouth failed for the second week running to press home their early advantage and slipped to their fourth Calor League Premier Division defeat in five games and stay stagnated in midtable *writes Stuart Broom*.

The Steelmen have shown good form at home of late; winning their previous four; but it was Weymouth took the lead on 14 minutes.

'Keeper Paul Walker, having thwarted the Terras by turning Stewart Yetton's effort for a corner, was beaten from the resultant flag kick when Tommy Wright headed into his own net.

Midway through the half, Brad Lee Gascoigne's timely tackle on Matt Groves prevented the assistant manager increasing Weymouth's lead.

However Corby forced their way into the game and equalised on 40 minutes when Nathan Rooney started and finished a move involving Wright with a 25-yard screamer into the bottom corner of the net.

They might have gone into the break in the lead when Tom Berwick struck the foot of the post.

Corby dominated after the interval and went ahead on 54 minutes with a slightly fortunate goal; Stuart Hendrie's overhead kick from close in taking a deflection on its way past Jason Matthews.

He sealed the points when he played a neat one-two with substitute Aman Verma before guiding the ball beyond Matthews.

## Magpies announce new commercial director

DORCHESTER Town Football Club strengthened the club's board of directors last week with the appointment of Richard Coole as commercial director.

Coole brings with him a huge wealth of experience having previously held senior direc-

tor roles at Mercia Group and the Hanson Trust, before founding and running a highly successful international company of his own.

Club chairman, Neal Butterworth said: "We are ever so pleased to have someone of Richard's pedigree on the club board and heading up the club's commercial activity.

"His experience and knowledge will be a great asset and we're confident that we can really begin to move forwards in this department, not only for the club's benefit, but to the benefit of our sponsors and partners too."

Coole said: "I am delighted to be joining Dorchester Town Football Club. I have been following the club since moving to the area six-and-a-half years ago and I look forward to getting involved.

"Given the ongoing economic climate, the job will not be an easy one, but I am confident that with the set-up, business model and facilities we have here, we can increase revenue streams in line with the clubs aspirations to become a community club.

"We already have a number of plans in place to open the club up five days a week, maximising the fantastic facilities we have here and creating a permanent social side to the club.

"Certainly, fans can expect to see a number of exciting events added to the calendar over the coming months."

Coole was co-opted on to the board of directors at a board meeting this week, and is subject to the passing of the FA's Directors and owners test.

## Dorchester secures community football grant

DORCHESTER Town Football Club's "Magpies in the community" scheme has received a major boost, with confirmation that they have secured significant funding to expand the scheme across the county.

The Football Conference Trust charity has awarded the club funding for a two-year project that will see community officer and first

team player Calvin Brooks work with local schools to use football to inspire and encourage young children to improve their literacy skills, whilst promoting an active and healthy lifestyle.

Brooks became the club's full-time community officer this summer, working closely with local mental health and learning difficulty groups in the county as well as coaching the club's successful ability counts team.

The funding secured from the Football Conference Trust will see Brooks work closely with St Osmunds and Dorchester Middle School each week, as well as other schools across Dorset as the scheme progresses.

Allen Knott, community director said: "Calvin is doing some exceptional work in the community and this grant allows us to expand the scheme further to encourage hundreds of children to not only live healthier lives, but to inspire them to work harder at school too.

"Football really does enthral and inspire young children like nothing else and we are delighted that we can work with a host of local schools across Dorset to do just that.

"We are working hard to see the club become a central part of the local community; something that will benefit all."

■ KEY ROLE IN MAGPIES FUTURE: Calvin Brooks

The Football Conference Trust charity grant funding programme has been made possible due to the generous support of the Premier League and the Professional Footballers Association.

The two parties contribute £400,000 each, per year, over a three year period. So far, over 50 Conference clubs have benefitted from a grant support programme that will eventually see £2.4 million distributed to non-league clubs.

## Cerne Valley cruise on

**W**EEK seven of the West Dorset Indoor League once again produced cricket of the highest standard, as the gathered supporters at the Osprey Centre witnessed two cracking games at Under 14s level.

### Weymouth A 158-1 beat Weymouth B 154-4 by 4 runs

**BATTING** first the Seasiders A team made a positive start with Joe James (27no) and D Webb (26 no) punishing anything short with some powerful strokes.

They continued to set a high run rate as D.Emery (27no), T Gilbraith and B Dring (16) all produced excellent shots and running between the wickets enabling them to post a challenging score.

The B team began well with Luke Lovett (32) and Pete Sapsworth rising to the challenge with a mature opening partnership that produced an opening stand of 67 off five overs.

The introduction of J Bower to the attack quickly produced two wickets as a pulsating game swung in favour of the A team.

J.Chedzoy (24 no) and K.McDonough (25no) kept the B team in the game with some stylish strokes as the game came down to the last over.

Despite the valiant efforts of the returning Lovett, hitting the first three balls for four, his demise to an excellent run-out left the B team just four runs short in a thrilling encounter.

### Cerne Valley 146-1 beat Martinstown 44 all out by 102 runs

**AN in-form Cerne** put Martinstown to the sword in a dominant display to remain undefeated after three games.

Batting first Martinstown lost an early wicket with B Simpson (0) being clean bowled by John Stewart with the score on seven.

This was to be Martinstown's only success as Theo White (29no), T Conibeer (28no), P Taylor (20no) and A Gray (19no) all played with style and maturity, treating the spectators to a show of superb batting.

Set 147 for victory Martinstown began well with 13 runs coming from the first over.

However, with the loss of Declan Riley (2), cleaned bowled by White, Martinstown struggled to score against a well drilled Cerne who gave nothing away in the field.

John Stewart (14) and James Stewart (14) battled hard but were always up against it, as Cerne claimed the last four wickets for the loss of only 10 runs to run out comfortable winners.

Junior Blues show grit at London Irish

BRIDPORT U12s and U11s travelled to London Irish RFC on Saturday to play in the Land Rover Cup Festival that involved 32 other teams looking to compete in the final at Twickenham.

Both teams enjoyed the experience immensely, and while they won't be treading the hallowed ground at rugby HQ, produced performance that both the club and their parents and families that travelled to support them will be proud of.

Under 12s

THE under 12s performances improved throughout the day, they crowned a great experience against some large clubs with a victory and a draw in their four matches.

A narrow 5-0 defeat to Wimborne was followed by a 10-5 victory against Farnborough, with tries coming from Eddie Gate and Henry Wirral.

After this exhaustive effort Brid-

port faced their toughest team, Wooten Bassett, and despite a superb team performance lost 10-0.

In the final pool game Bridport played Heathfield where a try from Joe Elsworth took Bridport into an early lead. Heathfield came back strongly and scored twice but Bridport dug deep to equalise with another try from Elsworth to end the game 10-10.

This game was summarised at the end by the referee who described it as "The best quality of rugby in this age group from both side that I've refereed."

The U12s have an exciting squad that is really gelling together and they can be proud of their work effort in this cup festival.

Under 11s

Wimborne 10 Bridport 5

The first match was a regular fixture for the Blues against Wimborne.

With the boys quickly warmed up they had to be switched on from the

very start, and although they did their best a try from Wimborne put them behind at half-time.

With a quick turnaround, it was Bridport that applied the early pressure with a crashing drive and try from Reuben Jolliffe that levelled the score. It remained tight and hard fought until the last minute when Wimborne possession and pressure saw them score without time to answer as the final whistle blew.

Tadley A 0 Bridport 0

THIS second game was an exciting and nervous game to watch for on looking parents and coaches.

"Although no tries were scored the game was always in the balance and overall Bridport's best game in the pool group as they held the eventual semi finalists to a scoreless draw.

The under 11s completed their pool games with a 20-0 defeat against Harlequins and a 25-0 loss against Reading Abbey who were

◆ GREAT PERFORMANCE: Bridport U11s who did extremely well against some bigger clubs with two of the London Irish players.

both well drilled and disciplined sides and outclassed Bridport.

Under 11's coach Guy Furner said: "As a coach we are working on our structure and it is early days for this squad and I'm afraid it showed in these games with our weaknesses being highlight through a more experience and I must say larger set of boys.

"I'm sure our squad learnt a lot

from their experience, which we will use during the rest on the season.

"I hope the team spirit is stronger from the first trip away and the players enjoyed a memorable day!"

He added: "Our trip for both sides started with a 6am coach departure on a damp Sunday morning, which showed an impressive commitment from our players and parents, so thank you."

HOCKEY

Hawks just edge battling ISCA

West Dorset Hawks 2 ISCA D 1

LOOKING to continue their good run of play West Dorset Hawks were full of confidence despite missing three key players in Gavin Brooking, Rick Steele and Steve Mearning which saw the return of Alex Davies to first team duties and new centre forward Mike Blake.

Hawks were unable to convert a number of early chances due to some great saves from the visiting stopper, and midway through the half ISCA began to organise themselves and defended well against the relentless attacks that had served up so many goals for Hawks over the last three weeks.

They cunningly allowed Hawks to over commit and then hit them on the break, and after a rare misspass from the normally solid Lee Connolly, ISCA made their only real attack of the half count when 'keeper Tom Lowe was left one-on-one with the centre forward who tucked the ball away.

A frustrated Hawks could not find a way through, but after a rallying half-time talk from captain Rick Dormer they started again in top gear.

ISCA could barely get the ball out of their own half as Hawks relentlessly pummelled their goal, winning penalty corner after penalty corner, but grew ever frustrated as they just could not convert.

Then six minutes form the end they finally broke the visiting defence when Alex Davies deftly lobbed the ball into the back of the net.

ISCA, desperately hoping for a draw, were punished for their passive play when Davies intercepted a defensive clearance, beat two players and unselfishly passed to Rob Coombes who scored the winner with an unstoppable strike to give Hawks the three points.

Skipper Dormer said: "This was the toughest game we've had all season, we were so close to losing and throwing any title hopes away. I'm so proud of the boys for digging in and fighting back."

**Hawks:** Lowe, Dormer, May, Coombes, Blake, A Davies, Wyatt, George, Connolly, Goodfellow, C Davies. **Umpires:** M Harvey, R Sinclair.

Off form Beaminster made to pay

**BLANDFORD & STURMINSTER NEWTON 2ND 3 BEAMINSTER 1**  
BEAMINSTER Ladies Hockey team missed the opportunity of leapfrogging their opponents into third spot in Channel

1 with a dismal performance at the Clayesmore Sports Centre.

Despite missing two of their more experienced players through injury, the young West Dorset ladies had enough skill in the side to have beaten their more senior opponents, but failed to play as a unit.

Blandford played as a team, while Beaminster had too many individuals who failed to find any cohesion. They also had the aid of two umpires who were more than generous in their decision making to the hosts, and although it didn't ultimately affect the result, it only added to Beaminster's frustration. Only Danni Donovan emerged with any credit in a poor team performance.

The first-half which ended goalless saw poor hockey from both sides.

Blandford & SN took the lead after the turnaround with a dubious goal. Beaminster had defended a short corner well and were in the process of clearing it when Jenny Clarke was fouled.

However the umpires ignored it and a shot from the perpetrator from outside the D was deflected home.

They increased their lead as Beaminster looked to push for an equaliser, when a forward was on hand to flick a rebound over Lisa Condliffe before she could recover from the initial save.

Their third came as a result of poor defending which again saw a forward take advantage of the rebound after Condliffe's initial save.

Beaminster pulled one back eight minutes from time when Julia May's quick thinking from a free hit found Hannah Dale to score, but it was too late to affect the result.

Interestingly, the umpires who had ignored blatant fouls on Beaminster players and favoured the home side for the whole game, missed an obvious and legal opportunity for Blandford to add to their score just before the end when they should have been awarded a penalty flick for feet on the goal line, but awarded an unsuccessful short corner.

Beaminster will need to learn from this game and get back to the running and passing game they have been playing successfully, and forget going for glory.

Captain Julia May said: "Their coach described his team's performance as the best he had seen them play, and while you must give them credit for being in third spot, if we play to the level we know we are capable and with a full team, we can look forward to the return match."

BOB BUCKLER RACING

WITH STUART BROOM

Saint Peray back and looking good

SAINT Peray made his comeback after 639 days away from the track following a leg problem and turned in a very useful performance in the Debut RMB Chivenor Handicap Hurdle over three miles at Taunton last Thursday.

Bob Buckler declared himself "very pleased" with the seven-year-old who showed well to finish fifth after running out of steam in the home straight.

"He was neat and fast over the hurdles but as expected got tired towards the end. We're really delighted and he

will come of for the race."

Having run so well over hurdles in his comeback Buckler thought that he may continue, rather than return to fences.

"He jumped them so quick and well so we may well continue for a while," he added.

delighted

The Henley trainer was also delighted with the running of Lady Oaksey who has not made an auspicious start since joining the stable, having

dumped her jockey in the first race and falling at the last in the second.

However despite trailing in last of the finishers in the 2m 3f Christmas Parties At Exeter Racecourse Mares' Novices' Hurdle at Exeter last week, she passed the test of completing the course.

"She jumped out and led the race which is what we wanted to do as she was hampered in her first race.

"She completed the course and ran reasonably well, but was nursed home once beaten."

Bridport Glovers celebrate anniversary

THE Bridport Branch of Yeovil Town's Green and White Supporters Club celebrated the tenth year since their inception at their annual dinner held at Highland's End Holiday Park last Friday.

Sixty-five supporters and their partners enjoyed a three-course meal before their guest Ian Hambidge, the Police Football Liaison Officer for Yeovil Town Football Club who was accompanied by his wife, outlined his role at the club. A question and answer session followed.

There was a surprise treat for the assembled with the opportunity to view and lift the League One Play-Off Trophy that Yeovil Town won at Wembley in May.

Such is the popularity of the Bridport branch that they now hire a coach instead of a minibus to travel to away games.

Founder member Tom Burt said: "When we formed the club there were just 12, but over the years, and particularly now they are playing in the Championship, the popularity has increased.

However, it means that the costs have risen from £80 to £150 for the hire, and so we would be grateful of any sponsorship to help cover our costs."

Anyone who would like to help can ring Tom on 01308 456145.

Football - Bees news

WITH STUART BROOM

# Bees dump reigning champs on the bottom

## BRIDPORT 3 BISHOP SUTTON 1

Toolstation Premier - att: 90

BRIDPORT came from a goal down to beat reigning Premier league champions Bishop Sutton with three goals that saw them go six games unbeaten in the league and cup.

Bridport found themselves a goal down early on. However a superb Darren Watts goal ensured they went in level at the break, and a Dan Wise penalty and rare strike from skipper Ryan Hayter, his first for more than two years, saw the Bees bag all three points.

With Hengrove Athletic winning and Slimbridge earning a point, the defeat saw The Bishops drop to the bottom of the table.

Although they have lost eight of last year's winning squad who moved to Bristol Manor Farm when manager Lee Lashenko quit in the summer, new boss Dave Payne is assembling a new exciting team.

The early minutes saw both sides score chances. Shane Evans was then involved in incidents at both ends of the pitch.

Having headed Wise's free kick just beyond the Bishop's far post, he attempted to block a right wing cross at the other end on 14 minutes. Unfortunately the ball ballooned up off his outstretched foot and fell to Moss who converted from close range.

Almost immediately Ashley Staines almost gifted them a second with an under hit back pass but Sam Filkins was quick to thwart Lance Gingell.

Chris Luke might have equalised on 19 minutes when he cut out a poor pass across the top of the visiting area, but 'keeper Lewis Coombes was out quickly and got down well to his left to parry the Bees midfielder's shot to safety.

Four minutes later he once again foiled Luke who had timed his run to Wise's left wing cross to perfection. But once again Coombes had anticipated and from point blank range acrobatically beat his firm header away.

Bridport finally got the goal their efforts deserved on the half hour with a magnificent goal from Watts.

Condliffe fed the former Dorchester midfielder standing inside the visiting centre circle who took off on a scintillating run past three opponents before rifling a 22 yard shot across Coombes and into the far corner of the net.

Within seconds of the restart Ryan Dovell almost doubled the lead but his flick header from Jamie Filkins cross flew just wide of the far upright.

A minute before the break, Moss set up Gingell down the left, but the winger hurried his shot and it flew wide of the near post.

Matt Morley flew down the left six minutes into the second half and fired in a 25 yard left footed shot that just curled wide of the far angle of the goal frame, before Dovell under pressure, couldn't get enough on his header which went wide of the far post.

Hayter then showed his defensive qualities with a magnificent tackle on Michael Purnells to prevent him getting in a telling shot.

Having quelled the early Bishop's fire, the Bees had picked their game up after equalising, and were continuing to hold the upper hand in the second

half, although the visitors were still a dangerous outfit on the counter attack.

This they proved just after the hour when Moss turned quickly 15 yards out and curled the ball towards Filkins' top right corner which the university student did well to just tip over the bar.

The ball struck the stanchion attached to the angle of the post and crossbar and bounced back into play wherein Micheal Purnell pounced to force the ball over the line, but the eagle eyed officials noticed what had happened and disallowed the goal and awarded a corner which was fruitless.

When Bridport broke a minute later, Luke fed Condliffe whose shot appeared to be going just inside the far post when it hit Bishop's central defender Joseph Smith on the hand. Referee Adrian Tranter immediately signalled a penalty and Wise sent Coombes the wrong way with the spot kick.

The visitors responded immediately and Moss tried a 25-yard drive which went wide of the goal.

Condliffe wasted a good chance on 72 minutes when he picked up a quickly taken free-kick down the right, outstripped his marker as he cut in but then fired into the side netting when he might have crossed to one of three teammates available.

There was one more scare for Bridport before they made the game save.

Sam Filkins appeared unfazed by a long cross from the left touchline from Bishop's sub Joshua Bennett which he must have thought was dropping over his crossbar for a goal kick. Instead he was startled when it bounced on top of his goal and dropped down on the line before it was scrambled away.

The points were secured on 87 minutes from an unfamiliar source, when Hayter drove Luke's pass past a startled Coombes from an acute angle.

## Last gasp equaliser denies Bees win

Buckland Athletic 3 Bridport 3

Toolstation Premier - 91

BRIDPORT returned from Devon with a very creditable point from Homers Heath last Wednesday.

Having lost to a first minute goal at St Mary's in the reverse fixture back in August, Bridport looked to have got revenge, but a goal in the 95th minute dashed their hopes.

Bridport took the lead inside two minutes when a good team move started by Ryan Hayter saw the ball shift to Chris Luke on the right. Ryan Dovell timed his run to Luke's cross to perfection to get in front of Rob Farkins and deliver a diving glancing header across 'keeper Kenny Griffiths and into the far corner.

Buckland equalised ten minutes later with an exquisite goal from Lucas Burgess who lofted his 20-yard shot beyond Ashley Weeks into the top right corner of the net.

The hosts then took the lead on the half hour with an equally wonderful strike from Gavin Hammon, who, faced with a sea of defenders, looped his shot into the same top corner.

Matt Condliffe brought the Bees level just before the break when Griffiths miskicked when the ball bobbed as he went to clear a back pass. The Brid-

port striker just beat the retreating keeper as they slid in for the loose ball to lash it into the roof of the net, but Griffiths in his effort to retrieve the situation collided with the post and had to be replaced at the interval.

Bridport regained the lead just before the hour, and what a goal it was to celebrate Dovell's 50th for the club. Controlling Matt Morley's left wing cross with his left foot, he turned all in one motion and drilled it into the far corner of the net.

Buckland turned the screw on Bridport looking for the equaliser but the defence held strong and it looked as if they had weathered the storm, but in the fifth minute of added time the hosts got the goal their second-half performance warranted.

Substitute 'keeper Liam McCauley launched a huge free-kick where Farkins got a touch. The ball went through a mass of bodies before hitting Dovell on the arm diverting it past Weeks.

## Ressies crash to shock defeat

POOLE BOROUGH RESERVES 3 BRIDPORT RESERVES 1

BRIDPORT Reserves crashed to a shock defeat in this Dorset Senior Trophy tie against Poole Borough Reserves who play two divisions lower.

Bees manager Robin Townsend had no qualms about the result, but their chances were drastically reduced just after the hour when Darren Lock was sent-off for a bizarre handball incident that led to Poole's equaliser.

Despite a poor first-half performance Bridport took the lead through Gary Bulman, but from a seemingly innocuous cross into the penalty box, Lock who had already been booked, punched the ball instead of heading it clear, leaving the ref no choice but to award a penalty and dismiss him. Kyle Graham equalised from the spot.

Soon after, Borough took the lead when Rob Scadding deflected a wayward shot into the net with his chest. They completed the win when George Waring latched on to a poor Adam Stordy back pass to fire past Billy Fleet.

Townsend said: "It was very disappointing but I can't grumble about the result, they saw us as a scalp and in the end they thoroughly deserved their victory. I think our lads thought it was going to be a walk in the park."

Commenting on Lock's moment of madness he said: "Darren couldn't explain why he did it, but it certainly gave them the boost they needed."

## Thirds lose out to pitch lottery

BRIDPORT 3RDS 1 WEYMOUTH SPARTANS 2

THIRDS manager Andy Hitchcock was livid at the state of the St Mary's Playing Field pitch after losing out to league leaders Weymouth Spartans to a late goal.

"I think the pitch played a big factor in the defeat. The grass hasn't been cut since the last time we played three weeks ago and it was long then.

"Not only did it stop us playing the ball on the ground, but it was almost impossible to see the markings which were responsible for their first goal when the Spartans' centre forward took advantage

with an unsporting act."

The visitors had complained about the state of the pitch beforehand, but took advantage of it when Luke Hayter shepherded the ball out of play for a goal kick. He and the Bridport defence stopped when the ball ran a yard beyond the byline, but with virtually no markings to go by, Marcus Simpson kicked the ball back into play before lashing it into the net with the referee seemingly oblivious to the situation.

"While it was poor sportsmanship to do that, I am very disappointed at the fact the grass was so long; after all we do pay for the use of the pitch."

Bridport, boosted by the inclusion of first team players Max Buckler and Adam Steele were playing with confidence against a very physical Spartans side that was hard to break down.

Ryan Gall had three good chances before the Bees equalised just before half-time. Dave Booker's header was cleared off the line but ran to Zac Hawker who blasted the ball home.

With Buckler running the show in the second-half it looked like Bridport might get all three points. But Buckler was then withdrawn to take his place on the first team bench and his presence was missed.

With play now end-to-end Gall was again thwarted with another point blank save by the goal-keeper.

But it was Spartans that snatched the points in the closing minutes when Jack Thompson's shot deflected off Ashley Walkey and rebounded to Jeb Gay to score the winner.

Hitchcock said: That's the third game in a row where we have deserved at least a point."

He was also critical about the number of players throughout the club who make themselves unavailable each week causing him selection problems.

"I don't understand some of the lads. At least six drop out every week for a variety of reasons, some genuine but many for fanciful reasons, which makes life very difficult, and then many of them turn up to watch!"

"This shows a poor attitude, and I will continue to ignore them for selection if they continue to play this game."

## Uninterested Bridport pay the price

WIMBORNE MAGPIES 1 BRIDPORT U14 0

BRIDPORT came down to earth with a bump when they lost by a single goal at Wimborne.

Having started to play some of the best football in their young careers over the past three weeks, they never even looked interested in this match that got off to a bad start with no home official available to referee; Richard Middleton standing in admirably.

Maybe the delay unsettled them, but Bridport only had themselves to blame for the defeat, goal-keeper Jordan Scadding only touching the ball twice; the first to pick the ball out of the net after Wimborne's early goal, and for then for a goal kick; otherwise he was a spectator.

Maybe a few need to wake up and understand you have to earn the right to pull on a Bridport youth football shirt.

### Bridport squeeze home

BRIDPORT played host to Sidmouth in their Four Rink Friendly, running out winners 76-72 overall.

It was a unique match as Sidmouth could only bring three rinks and Bridport members Pat and Roger Cowmeadow, Mike Parsons and Max Dare played as a guest rink for Sidmouth.

Dare who has represented Dorset over 50 times was on fine form early on and his four were only trailing Sylvia and Mike Fletcher, Mike Craddock and Martin Wilton 10-11 after 14 ends but a fine finish by Wilton's four gave them a 23-10 win to claim top rink award.

Brian Parker, Mary Corfield, Phil Hedges and Mike Long together with Roy Lidington, Lyn Craddock, Robin Piether and Brian Rumble were the other winning Bridport rinks 23-17 and 23-15 respectively.

Mel Hargett, Keith Jenkins, Rosie Wilton and Brian Baker were competing well to be 7-10 down after 14 ends.

But over the last seven ends their opponents scored 20 shots without reply to win 7-30.

In the County Mixed League against Moonfleet, Beryl Stark, Mel Hargett, Brian Pratt and Jenny Harding picked up two points with a 23-16 home win.

At Weymouth Mike Craddock, Sue Gentry, Liz Walker and Max Dare and the four of Lyn Craddock, Gerry Moss, Laura and Bob Taylor went agonizingly close before losing 18-19 and 23-25 respectively.

Weymouth next week.

## Rugby round-up

# Lynch wins semi-final spot at the death

## WEYMOUTH 2ND 19 DORCHESTER 2ND 21

For the second time this season Dorchester seconds travelled to play their Weymouth counterparts; this time a semi final spot in the 2nd XV shield was up for grabs; and although the outcome was the same, a strong Weymouth side kept the result in the balance till the end writes Andrew Smith.

The game started evenly and this was to be the case throughout. The away side opened the scoring when centre James Baker touched down but his own missed conversion was disappointing.

The next two scores went to the home side and it gave them the lead for the first time. Some poor discipline and good attacking intent allowed Weymouth two shots at goal which were successful; the first an impressive kick from long range.

Dorchester regrouped and set about the home line. They had a couple of chances, including a missed penalty kick, but were unable to finish and Weymouth continued to defend well.

Toward the end of the half it looked like

the home team would extend their lead, but with a four-man overlap they managed to pass the ball forward.

This woke Dorchester up and they spent the last five minutes in their opponents 22. Some good defence from Weymouth kept them out however, but with the last play, Dorchester were awarded a penalty. Baker slotted this and they went into the break 8-6 up.

Both teams used the half-time to make a couple of changes and it was the home team which came out stronger.

Weymouth kept applying the pressure and Dorchester conceded another kickable penalty for the home team regained the lead 9-8.

After some more end-to-end play, Dorchester used their backs well and the ball reached left wing Jake Chislett who crashed over. Again the conversion was missed.

This is the point where Dorchester should have pressed on but Weymouth were not to lie down and kept stopping the away side while creating opportunities

of their own.

Some more ill discipline allowed Weymouth three more points and there was just now a point in it.

Both teams then missed a couple of shots at goal, before Baker finally added a second penalty to move his team four points ahead.

As the game entered the last five minutes Weymouth finally scored their first touchdown of the match, and the conversion from in front of the posts meant they held a three-point lead.

Dorchester didn't panic and went in search of a winning score. When a penalty was awarded just outside the home 22, away captain Tom Evans made the bold decision to go for the corner rather than try and force extra time.

The lineup was won but they knew one mistake and it would be all over. After a couple of clean rucks, the ball went wide and the centres found full-back Lynch who dived through a small gap to score.

The conversion was missed again but it didn't matter and the ref blew his final

whistle.

## Unbeaten start shattered

LYTCHETT MINSTER 50 DORCHESTER 2ND 5

DESPITE a good showing in the first-half, a strong second from the home team ended Dorchester's unbeaten run writes Tomas Gower.

The early exchanges were quite even, but with Dorchester using their backs they started to make inroads.

Quick forward ball and good back play has been the away side's strength this season and it was this combination that created the first score; Rich Deakin going over. The conversion was missed and this was to be their last score.

After some good home play and poor discipline, the home team registered their first try which was converted to give them the lead.

This was extended within minutes with a simple kick at goal from some more poor

# Simkin looking for strikers to ease the load

**GOSPORT BORO 3 DORCHESTER TOWN 0**  
FA Trophy 3rd qualifying – att: 206  
DORCHESTER Town manager Phil Simkin is desperate to find a striker after having to use two midfield players as front men in their FA Trophy defeat at Gosport Borough on Saturday.

Losing to a first half strike from Tom Dunford midway through the first-half following an error from skipper Mark Jermyn, the Magpies kept themselves in the game until the final three minutes when they conceded twice more looking for an equaliser.

With Brandon Goodship having tweaked a hamstring the day before whilst training with his parent club AFC Bournemouth, the county town boss was forced into pressing Goodship's team mate Josh Wakefield and Jake Rowley as emergency striker, and although both worked tirelessly, it was an uphill task.

"Working without regular front

players is extremely difficult, but they worked hard but are playing out of position."

While Simkin has a number of young strikers at the club, he is reluctant to use them.

"Dan Munday was out with a fractured hand anyway, and whilst Conor Jevons was among the substitutes, it was unfair to throw him in given his lack of experience.

"All of these youngsters are going to be good players but they are not physically strong enough at the moment.

"It's all very well people saying I should be bleeding them, but I have a responsibility for their welfare and have to make a decision that I feel is right."

Despite the defeat that see the Magpies dumped out of both the FA Cup and Trophy at the first hurdle, he still felt that his side had a chance of bringing the Hampshire rivals back to

the Avenue for a replay had the referee not ignored a challenge on Wakefield near the end.

"It was a blatant, stonewall penalty as far as I am concerned, and could have earned us a replay.

"Since we drew with them earlier in the season they have spent a lot of money on players and have strengthened considerably."

Dorchester had the first chance in the eighth minute when Nathan Ashmore failed to hold onto a Jake Rowley cross, but Nick Crittenden's shot was straight at the 'keeper.

The Magpies game plan was working until midway through the half when an error from skipper Jermyn which allowed Tom Dunford to beat Alan Walker-Harris.

Dorchester continued to contest

the game and it wasn't until the closing minutes following their unsuccessful penalty appeal, that Gosport made the game safe.

First Justin Bennett looped a powerful header over Walker-Harris from Andy Forbes free-kick, before deep in injury time with the Magpies chasing the game Dunford raced clear of Magpies' defence and scored his second of the game.

"They were better than us on the day to be fair, but we kept the game alive until the final minutes when they hit us with two late goals. Three individual mistakes cost us goals, but I thought we did enough to get a draw."

◆ SIMKIN has moved to strengthen his squad with the signing of Hamworthy United's midfielder **Sam Lanahan**.

"He was a young lad when I was at Hamworthy but has developed well and runs all day and scores goals for

fun."

The Magpies boss has also moved to bring an end to **Neil Martin's** on-off move to Weymouth by issuing an ultimatum.

"This is now into its third week, and it's messing the lad's head up; he doesn't know whether he is coming or going.

"Weymouth either want him or they don't. There is another club that are now interested in him and I'm not prepared for it to drag on beyond the middle of the week."

Tuesday's home league game against Tonbridge Angels was postponed due to the Kent side being involved in a replay.

The next game is a tough away encounter at Sutton United, so the postponement gives Goodship more time to recover from his hamstring tweak, and Jake Smeeton to get over the dead leg that forced him off at Gosport.
